

I have so many things to be thankful for . . .

TO GOD:

For the call of the sublime privilege to be His servant;
Dispenser of His Graces;
Minister of His Sacraments;
The Treasury of the Poor;
The Instrument of Charities in His name;
The sublime dignity of the Alter Christus.

TO MY PARENTS:

For the countless sacrifices in my behalf;
For the prayers of my Mother;
For the self-effacement, toil, and sympathetic direction of my Father;
The living inspiration and example of their devout lives.

TO MY BOTHERS AND SISTERS:

For their extreme generousities during my student days;
For the lavish financial support of my causes during my Priesthood.

TO MY ALMA MATER:

For affording me the many opportunities for spiritual, moral and mental growth;
For the assistance of dedicated professors, who enkindled, nurtured and fostered the Love of God, of my beloved country, of the country of my forefathers with all their traditions;
For the pardonable pride of being her Alumnus;
For the realization of the debt I incurred, which cannot be repaid till my dying day;
For the basic understanding and Divine Wisdom that the Heart of Education is the education of the Heart, the soul of training is the training of the soul — My Alma Mater — I salute Thee now and always.

TO MY PRIEST FRIENDS:

For their lifelong friendships;
Their understanding and considerations;
Their patience with my short-comings and pressures;
For their spirit of cooperation and collaboration in my many activities;
For their sympathies and solace in my bereavements;
For their joys in my successes;
For our mutual admirations . . .

TO MY LAY-FRIENDS:

For the challenges and opportunities for service they helped to solve;
For their response to call above the call of their duties, sometimes beyond their means;
For the occasions to engender in them the spirit on the high level of Charity in the name of Christ;
For their kindness, inspiration and dedication;
For their Heart and Hand and Substance in the pursuit of helping others.

TO MY PARISHONERS:

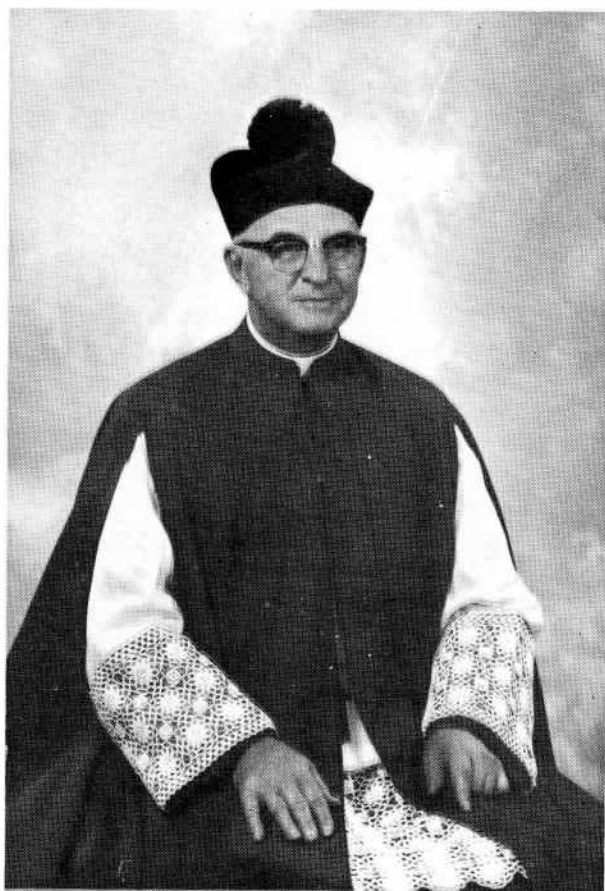

For their devotion and dedication to things of God, Church and Parish;
For lightening of my burdens in the administration of the Parish;
For the ready response to my pleas for their spiritual and moral welfare;
For the unabated showering me with their love, respect and generousities;
For the joyful participation in all my honors, promotions and dignities;
For the permanent reminder — that I am their spiritual Father, their shepherd, their Priest — their Friend;

On his side of Eternity you will never know how grateful I am. On this day when I am counting my blessings, I utter with deepest humility "Lord You have given me so much, completely beyond my deserts, give me just one more thing, give me a grateful heart."

What shall I render to the Lord for all the things He has given me?
I will take the Chalice of Salvation, and I will call upon the name of the Lord (Psalm 115)

Gratefully Yours,

Dear Monsignor Borkowicz:

I have learned that on June 26, you will mark the golden jubilee of your ordination to the priesthood and that the priests and faithful of St. Stanislaus' Parish plan to honor you on April 25. Truly it is a most important day and one well deserving of special recognition.

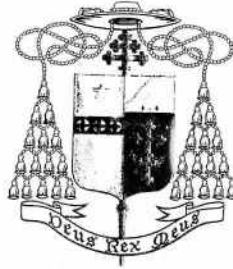

I hope to be present for the celebration, but I welcome this opportunity of expressing to you my earnest and most heartfelt congratulations. To count so many years of dedicated service in the priesthood is a rare privilege. The priests and people of the Archdiocese, as well as my predecessors and myself, owe you a debt of gratitude for the many positions of responsibility you have handled so capably, not to mention your thirty-five years as Pastor of St. Stanislaus' Parish. It must be particularly heartwarming to you to realize the many blessings that have come through you to so many people over these years.

Fittingly, your golden jubilee celebration will be marked by a note of thanksgiving. We shall join with you in expressing our gratitude to God for the many blessings received over the years. And we shall join in the prayerful hope that you may continue to be blessed with abundant consolations in your priestly ministry.

Cordially yours in Christ,

Dear Monsignor Borkowicz:

It is a distinct pleasure for me to congratulate you on the occasion of the celebration of your Fiftieth Anniversary of Ordination. This unique and inspiring anniversary in your priestly life will bring back many memories of the day when the Bishop imposed hands upon you and you became a priest forever.

You will recall with joy the thousands whose lives were changed by your priestly ministry. You gave them spiritual life in Baptism; refreshed them in the Sacrament of Penance; strengthened them with the Eucharist; witnessed their vows in the Sacrament of Marriage; consoled them with Holy Viaticum and prepared them to meet their God.

I join your many friends in praying that God will reward you most abundantly for your tireless efforts in behalf of His children. Ad multos annos!

Devotedly yours in Christ,

Drogi Księżu Prałacie,

Wielki rozdział pracowitej służby Ludowi Polskiemu w USA, zamyka Ksiądz Prałat złotym jubileuszem swojego kapłaństwa. Stajemy z zadumą nad tym półwieczem trudu, ofiary i służby. Przecież Ks.Prałat należy do tych kapłanów, którzy osobowością swoją tak wybitnie zaznaczyli się na obliczu katolickim i narodowym Polonii Amerykańskiej. Oddany bez reszty swoim ideałom kapłańskim, Ks.Prałat użył ich w najlepszy sposób dla religijnego pogłębienia życia narodowego wśród naszych Rodaków. Rzymsko-katolicka świątynia św.Stanisława Biskupa M., była niejako małą Ojczyzną dla wszystkich, którzy przychodzili tu wielbić Boga, modlić się i krzepić swoje siły.

Służąc wiernie dziełu zbawiania dusz, Ksiądz Prałat wyczuł, że Polak ma swoistą drogę do Boga, że w tej drodze tak bardzo pomaga Mu wędrowanie przez zagony ojczystej kultury, religijności, obyczaju, pieśni i tradycji narodowej. Ksiądz Prałat stworzył w swej świątyni prawdziwie Rzymsko-katolicki kościół narodowy, bo pięknie połączył to, co powszechne w Kościele, z tym, co rodzime, własne, a co też prowadzi do Boga. Czynami swoimi Ks.Prałat wyprzedził myśli, wypowiedziane przez Jana XXIII,

Office of the Bishop - 520 Richmond Street - London, Canada

March 3, 1971.

Reverend Monsignor Vincent V. Borkowicz,
5818 Dubois,
DETROIT, Michigan 48211.

Dear Monsignor Borkowicz:

You may be wondering why I am writing to you to congratulate you on your 50th anniversary of the priesthood. The answer, in reality, is simple enough. Few moments in the history of the Church have required a greater sense of solidarity in the priesthood, and it is sufficient for me to know that you have labored in this high office for fifty years.

But human affairs do not proceed by accident. They are covered by the loving design of God. In this framework we play out our roles always in a positive sense of assistance. Good men like yourself never ask for recognition or even to know the effects of their countless acts of kindness. Also, it is true that only in heaven will we see the full scope of those unremembered acts.

However, in your case, I simply wanted to tell you that I happen to know that the people of God whom I have been called to serve in this diocese have benefitted by your kindness and generosity. How this has come to pass and how I know of it is not important. What is important is that God knows about it and that God will reward you.

Hence, I simply send you my warmest greetings and the gratitude of the Bishop of the diocese of London for what you have done for the Church and what you have done for us.

Devotedly in Our Lord,

+ G. Emmett Carter

Bishop of London.
