Many changes have occurred that the administration, as well as, the students have had to cope with. This is our way of saying "thank you," for a job well done.

students and most of us pay a visit to them at least once during our years of schooling.

These are the people who are always ready to help us in the Guidance Office. They work hard for the

STUDENT COUNCIL

L-R: Lee Klaus - Treasurer, Clare Cook - President, Mark Gourlay - Vice-President, Rhonda McMann - Secretary.

The student council is students serving students. These young people are chosen by the student body to represent the students in the best way possible. They may not always do what we as an individual would want, but rather they try to do what is best for the majority. However, this does not mean they do not listen to individual opinions. Take the time to be a concerned student by going to a student council meeting, and they will take the time to hear you. The student council is a working body. This year they have strengthened student-faculty relations, sponsored dances and started the ball rolling on a student mall. As you remember this year, look back on our student council in a special way.

WE DO NOT REMEMBER DAYS

Days themselves are unimportant; they pass almost unnoticed. It isn't the day we remember, but rather the minutes that fill that day. Those minutes make moments.

Days turn into weeks, weeks turn into months, and months turn into years. They are all filled with lasting memories of unforgotten moments. It's the moments that we remember, not the days. As we look back at our high school years, it will be the moments we remember and hopefully with a smile.

Sir, I've been waiting a half hour.

A minimalist line drawing of a tree with a large circular moon or sun behind it. The tree is composed of several thin, overlapping lines that form its trunk and branches, extending from the bottom left towards the top right. The circular shape is positioned in the upper middle of the page, partially overlapping the tree's branches. The overall style is simple and graphic.

The Junior High students play a very active part in our school and though it is not often mentioned we really like having them around.

Sports is also an addition and prepares these boys for future high school sports. All High School students have been Junior High kids at one time or another and as we see the 7th and 8th graders in the halls we can remember fond memories of a carefree time.

Junior High kids everywhere, Running down the halls without a care.

HOMECOMING QUEEN

JOYCE POLAGA

It was a great honor to be selected the 1971-72 Homecoming Queen. I want to thank all my fellow students who made it possible for me. I will never forget the excitement and fun I experienced the night we won our homecoming game and I was crowned.

HOMECOMING COURT

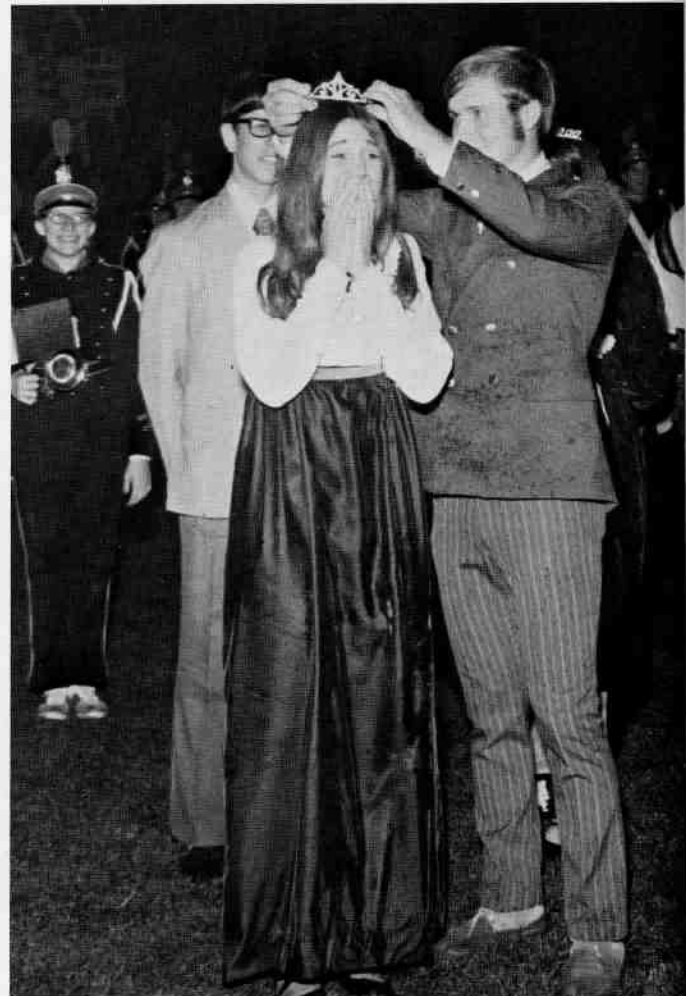

Gary Halifax, Cindy Warchuck, Gary Siemen, Pat Holdwick, Chuck Meissner, Mauren Carmody, Greg Wehner, Joyce Polega, Della Geiger, Bob Hagedon, Debbie Boldt, Don Currie, Bonnie Gornowich, Pat Carmody.

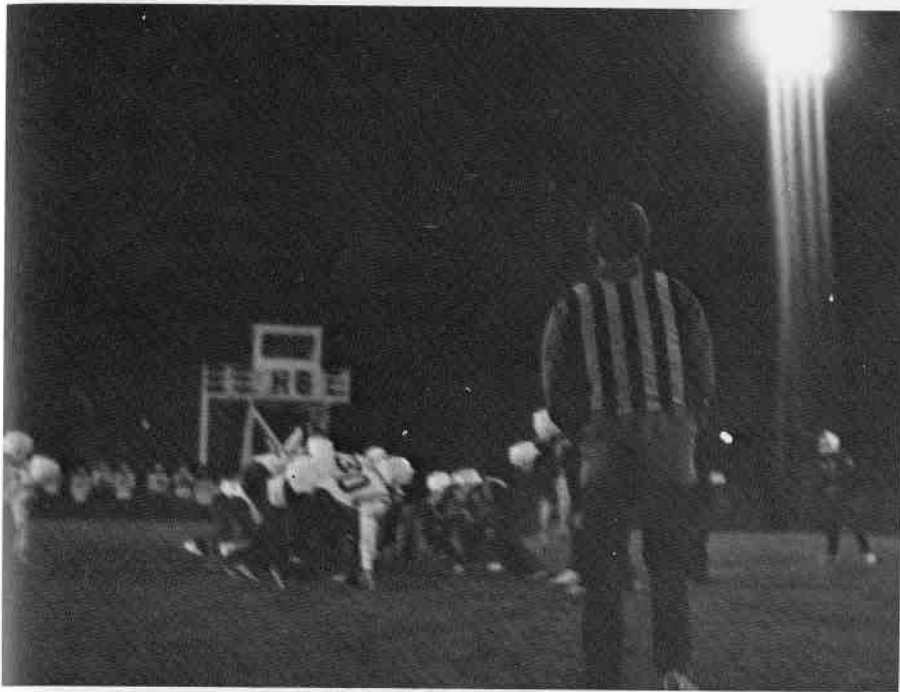

October twenty-second was the day.
We had a homecoming game to play:
The rain fell down without a stop.
But we were sure we'd stay on top.

The floats got kind of damp that night.
Under a field of flickering lights.
Whilet the girl's hoped their hairdos would hold.
The loud speaker system went out with the cold.

Joyce Polega, our queen, was crowned.
32-24 gave Pirate's another victory.
Against Imlay City, and the rest is history.

POWDER PUFF FOOTBALL

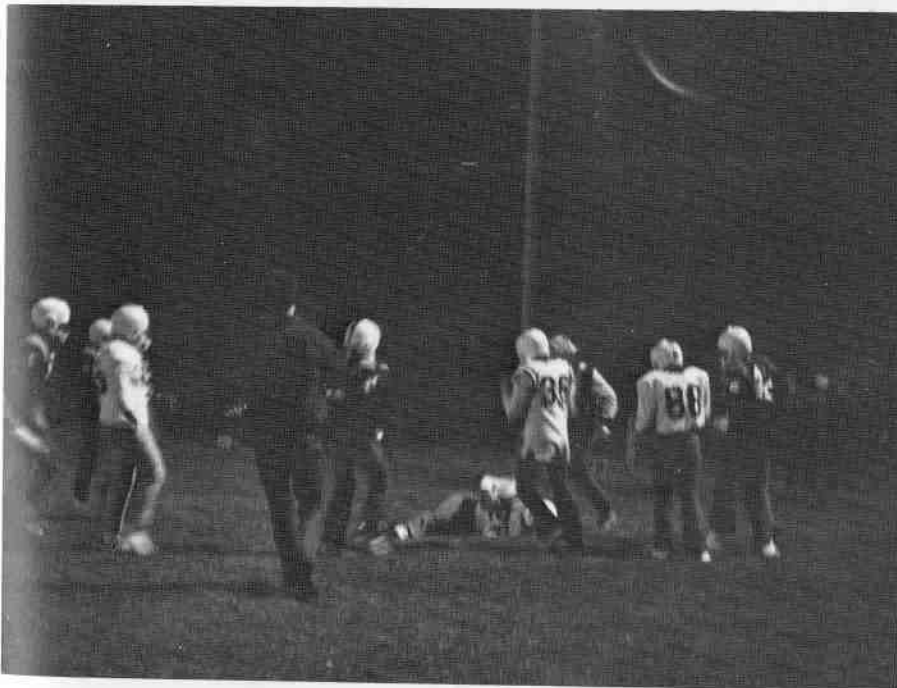

On Your Mark! Get Set! Crunch!

The Foxy-Ladies Juniors and Sophomores, Challenged the Slick-Chicks, Freshmen and Seniors, to the annual dual. The conditions were bad, but the girls didn't care. Ripped pants, cold feet, and aching bones were bared with grins.

After a very tough game, the Foxy-Ladies triumphed with a score of 14-8.

The coaches for the losing team were Tyler Ramsey, Steve Wood, and Dan Heleski. The victorious coaches were Dave Gorrell, Mark Mead. All involved, team members, coaches, officials, and spectators, thought it was a worthwhile evening.

CHRISTMAS PROM

FIRESIDE MEMORIES

Memories made by the fireside on a cold winter's evening were made possible this year by the Senior class of 1972 on December 18, 1971. The decorations were beautiful with a drop ceiling flowing from the gym's rafters. Everyone danced as, "Nebula," the band being featured, vibrated the building.

Girls in their colorful gowns tossed pennies into the sparkling fountain, hopeful their wishes would come true. The fire glowed brightly as the snow fell softly outside, and the memories made, will not be soon forgotten.

CONCERT BAND

This is part of our Concert Band playing for Graduation. The director is Lloyd Kress. As well as marching for home football games the band also performs several concerts. They did three this year. During the last Spring Concert, Rosa Perez, a graduating senior, received the John Phillip Sousa Award. The band as a whole does much in adding to a school year.

CHOIR

This year for the first time, a choir was formed by the vocal music department instead of a chorus. They performed in three concerts and other various activities. The choir's director was Edgar LaMance. As a group they sang such songs as, Madame Jeanette, Set Down Servent, and Ave Verum Corpus. During their last concert the choir presented two honor awards to Pam Gessert and Pat Booms. In all it was a most interesting year listening to the choir.

BLUEBERRY NOSE CLARK

1st	Juniors	35
2nd	Sophomores	26
3rd	Seniors	20
4th	Freshmen	18
5th	Jr. High	17

Juniors took the shot put, long jump, and shot put relay.

Sophomores took the high jump, and 100 yd. shuttle relay.

Seniors took the toothpick relay.

(More experience?)

Freshmen took the 440 egg relay.

TRACK AND FIELD DAY

Congratulations go to the Juniors for winning the Track and Field Day. They gathered 35 points on 3 firsts, 3 seconds, and numerous other places.

The most interesting event, as always, was the pie eating contest. The man with the biggest mouth, one from each class, competed. This put some classes at an unfair disadvantage, because the Senior and Freshman classes this year, as usual, were very quiet. But in the exciting finish it was Blueberry nose Clark edging out defending champion Plum Bush by no more than a blueberry to win.

1972 MUSICAL GUYS & DOLLS

Sit down your rocking the boat . . . ?

Marry the man today!

This is a manhole?

I love you a bushel and a peck, but watch my toes!

Have a home with wallpaper and bookends?

On April 27, 28, and 29 the Harbor Beach Community High School presented the musical "Guys and Dolls" at the Community Theater. It was our eighth musical and as usual it was a complete success. The musical was produced and directed by Edgar LaMance and Lloyd Kress. The assistant to the director was Martha Gorrell, accompanist Wendy Coulston, stage manager Dave Callendar and faculty advisors were Douglas Johnson and Ronald Learman. The leads this year were Brad Towers as Sky Masterson, Emery Beasley as Nathan Detroit, Nancy Rapson as Miss Adelaide and Lisa Erdman as Sarah Brown. In support-

Hear me you gamblers!

Take back your mink and shorten the sleeves for somebody else!

Let's shoot crap!

ing roles were Don Currie as Nicely-Nicely Johnson, Joe Gusa as Benny Southstreet, Phil Bowen as Arvide Abernathy and John McKnight as Big Jule. Others in the cast were Pat Booms, Mike Pawloski, Mike Bush, Dan Fealko, Barb Eick, Regina Laignel, Rhonda McMann, Paula Brobst, Martin Oglenski, Ron Pomerantz, Jeff Winkel, Danny Bouchard, John Kirsch, Eva Ross, Carol Hendrick, Jeannie Malson, Kathie Kretchman, Janice Busch, Gail Gentner, Lori Kleinknecht, Pam Gessert, Mary Kirsh, Marge Van Sickle, and Barb Brown. Also, let us not forget the other people who helped the cast make this show a success. They are those who played in the pit orchestra, those on stage crew and those who did the make-up. Then, of course, there were the parents who were patient through the long hours of practice and the marchants who contributed by being patrons.

Looking back on this musical there will be things that those who were a part of it will remember. For some it was their first musical for others it was their last. Someday each of us as an individual will remember with a smile those things that went wrong and those that went right. In all, Guys and Dolls made many unforgettable moments that will be part of our high school days.

JR. AND SR. PROM 1972

The Junior Class of Harbor Beach Community High School presented "A Time For Us" in the High School Gymnasium on the Saturday evening of May 20, 1972. The prom was dedicated to the Senior Class.

Another years goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four you have tread a path
From dawn to setting sun
But now the path is steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you're gone
And to the Class of '72
We Dedicate our Prom

- The Juniors

The dinner was delicious with the menu being swiss steak, chicken, au gratin potatoes, green beans, assorted salads, rolls, butter, chocolate pie, strawberry shortcake, and coffee or milk. Master of Ceremonies was Marc Warner, Invocation was given by Randy Rapson and the speaker was Mr. Clark. The faculty was invited to both the dinner and the dance so many of them were there to share in our memorable night. The decorations for the dance were beautiful and just by looking everyone could tell that the Juniors had worked very hard.

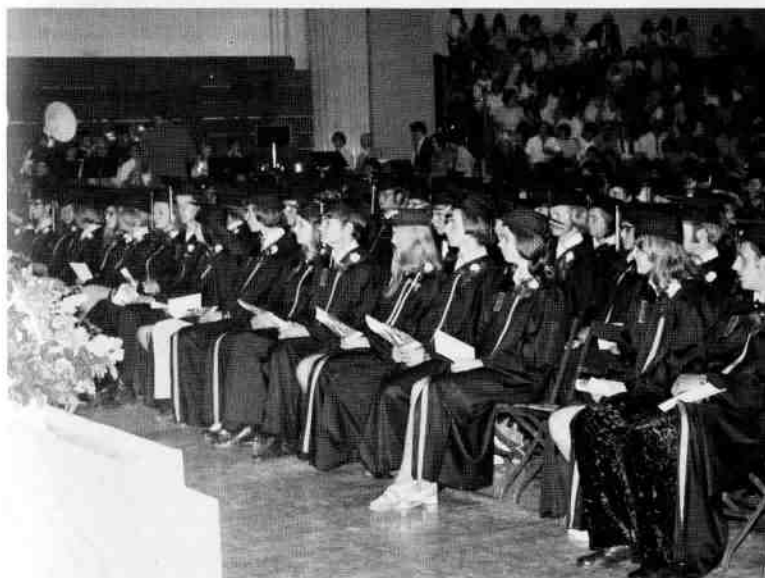

Anyone who attended the Junior and Senior Prom will remember the special moments of that night and that is what memories are made of.

BACCALAUREATE 1972

FROM A GRADUATE'S POINT OF VIEW

On June 4, 1972 at 8:00 p.m. the Baccalaureate Service began. The traditional processional of "Pomp and Circumstance" began and it didn't take long for the 130 Seniors to walk up and take their places in the chairs assembled at the front of the gym. However, at first glance things didn't seem right and the first two rows wondered if there were enough chairs. But, to our relief, when we moved down, things were in order. Then, of course, the guys removed their caps somewhat together. Invocation was given by Rev. Mario Cuppetilli and as Rev. Thomas Bradley led the singing we sang the traditional hymn "God of Our Fathers, Whose Almighty Hand". Scripture Reading was given by Elder Don Richards, followed by a selection from the High School Band, "Jesus Joy of Man's Desiring." There was a prayer from Father Bela Torok and another traditional hymn, "America The Beautiful." Following the hymn the High School Choir sang two songs, "Ave Verum Corpus" and "You'll Never Walk Alone." The Baccalaureate Address was given by Father Alexander Wood. We listened and it became apparent that it was very warm. Added to this discomfort of sticking to our gowns was the fact that all the girls were sandwiched in between the big shoulders of the guys. This situation was happily remedied before Graduation. Then the speech was over, we sang, "Fairest Lord Jesus" and bowed our heads for the Benediction given by Rev. James Stewart. The Recessional played "Coronation March," as we made our way down the aisle, as a graduate I realized that this was one more step closer to my diploma. The last words of Father Wood remained in my mind, "We need to return to the words on the little copper penny, In God We Trust!"

GRADUATION 1972

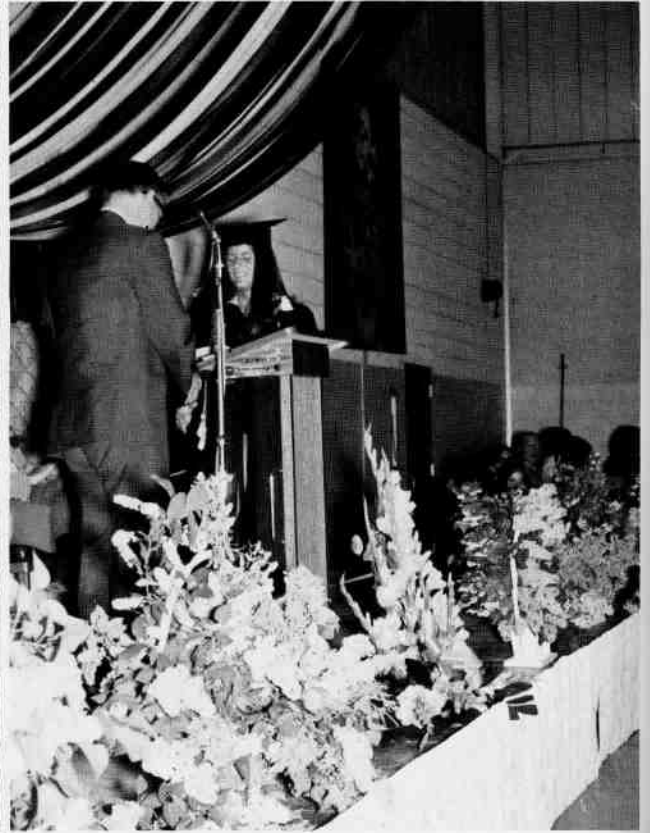

Senior Class 1972

Supt. Blake Lennon

Valedictorian - Joe Gusa

The Anna Belle Jenks Scranton Merit Award - Janet Currie

Commencement speaker - Dr. Richard L. Featherstone

On June 8, 1972, at 8:00 p.m. we as the Class of "72" held our Commencement program, which was a beginning and an end. It is a customary service held in the same manner every year, yet always seeming special. There were speeches from our Salutatorian Harold Learman and our Valedictorian Joseph Gusa. The Commencement Address was given by Dr. Richard L. Featherstone who is presently professor and chairman of administration and higher education at Michigan State University. Board of Education President Robert Brobst presented the diplomas and Principal Douglas C. Johnson presented the graduated Seniors to the audience. The past is behind us, the present is where we stand and the future lies ahead.

The Harbor Beach Marching Pirate Band is an organization that is very special and too often overlooked as an important part of our school. It is made up of responsible students who care what happens during halftime of a home football game. These students put in many practice hours not mentioning all the extra hours Mr. Kress puts in to form a show. The marching band's job is to entertain and this past year they fulfilled that obligation completely. Even through the pouring rain of homecoming, with the lights flickering on and off, the band marched on presenting a fine halftime show. There isn't much left to say except our feeling of appreciation. We hope the band gets the message.
