UNITED STATES OF AMERICA

March 17, 1998

Dear Monsignor Strynkowski:

On the happy occasion of the 75th Anniversary of Holy Cross School in Maspeth, Queens, New York, it is my special privilege to convey to you as Pastor, to Sister Rose Thelma Meckowski, C.S.F.N., the Principal, to the Administration, Faculty, Staff, Students, Graduates and Benefactors the heartfelt congratulations and prayerful good wishes of His Holiness Pope John Paul II.

The Holy Father, who as Cardinal Archbishop of Krakow visited your parish school in 1969, gladly joins with all who give thanks to Almighty God for the abundant blessings of these past 75 years, especially for the Sisters of the Holy Family of Nazareth and their faithful collaborators who continue to serve the noble cause of Catholic education.

It is the earnest hope of His Holiness that this important milestone, occurring as it does at the threshold of the new millennium, will be an opportunity for recommitment to the authentic values of the Gospel, as proposed by the Magisterium of the Church.

As a sign of his paternal affection and spiritual solidarity, the Holy Father imparts to you and to all who are the family of Holy Cross School, especially its youth, his Apostolic Blessing, granted through the intercession of Our Lady of Czestochowa.

To the sentiments of His Holiness may I add my own prayerful best wishes and cordial greetings.

Sincerely yours in Christ,

Archbishop Agostino Cacciavillan  
Apostolic Pro-Nuncio

*75th Anniversary Journal*

Dear Friends,

It is a great joy to be able to celebrate with Holy Cross Parish the seventy-fifth anniversary of the dedication of our School. We today are the recipients of the heritage of hard work and faith by which so many Sisters of the Holy Family of Nazareth, lay teachers, parents, volunteers and benefactors enabled Holy Cross School to fulfill its mission.

As we celebrate this anniversary I want to thank all those who have contributed to this Journal. Your generous support encourages the educational efforts of our School. I am also most grateful to the Jubilee Committee: Fr. Thomas C. Machalski, Sr. Rose Thelma Meckowski, Sr. Colette Wojcik, Mrs. Pat Ferraro, Mrs. Jolanta Neubauer, Ms Leslie Ann Orlovsky, Mrs. Barbara Wasilewska, and Mrs. Alice Wenz. Their commitment to the celebration of this Jubilee is a sign of the affection and loyalty that our Parish has for the School.

Together all of us who are part of Holy Cross Parish pray that our School will be blessed by God for its continuing mission in the name of Jesus Christ for many years to come.

Rev. Msgr. John J. Strynkowski  
Pastor

Dear Students, Parents and Friends of Holy Cross School,

“This is the day the Lord has made, Let us rejoice and be glad.”  
These lines perhaps best convey my feelings at this time in Holy Cross. I sincerely wish to thank each and everyone for their support of Holy Cross School. In April, the students will pray for all the benefactors and friends who have made this celebration possible. Your support of Holy Cross is to be commended.

Sincerely in JMJ,

  
Sister Rose Thelma, CSFN  
Principal

## *Holy Cross School* *75th Anniversary Journal*

Holy Cross School in Maspeth is a tribute to the courageous, determined, and persevering spirit of Polish pioneers who, eighty-five years ago, so enthusiastically suffered inconveniences and opposition, and continued to labor diligently "by the sweat of their brow" and sacrifice wholeheartedly to provide a wholesome Catholic education for their children -- an education most of them never had.

Until January 1, 1912, the Polish Catholic community of Maspeth was under the guardianship of St. Adalbert's Parish in Elmhurst. Though public education was available, most of the Polish-speaking families sought a Polish, parochial elementary education for their children. The trek to Elmhurst, however, was becoming an increasing hardship for many.

Fearing for the safety of their children, who had to walk long distances to the school in all kinds of weather, the Maspeth parishioners after the formation of the new parish **HOLY CROSS** in 1912 saw the immediate need for a parish school.

The Reverend Adalbert Nawrocki, D.D., the founding pastor, maneuvered to establish a temporary school on 56th Road and 60th Street. In September 1913, more than three hundred children were registered to be taught by six Sisters of the Holy Family of Nazareth. When the new church was completed the basement was the site of the school.

The first formal graduation from Holy Cross School was in 1917 with ten graduates. In 1922, they laid the cornerstone of the present school and the school was completed and opened in 1923 under the direction of the Sisters of the Holy Family of Nazareth

who continue in their teaching capacity to the present. A group of very dedicated and hard working lay teachers joined the Sisters in their teaching ministry.

The goal of the Holy Cross School is Jesus' teaching and the holistic development of the students. The lessons taught are not restricted to the classroom but are enhanced by the various spiritual, social, athletic and educational programs offered to the students.

Throughout its history many civil and ecclesiastical dignitaries have visited Holy Cross school. Two of the most memorable were the visit of **Karol Cardinal Wojtyla**, Archbishop of Krakow now **Pope John Paul II** in 1969 and the visit of **Lech Walesa** the founder of Solidarity and the former President of the Republic of Poland in 1995.

The future of Holy Cross School looks bright! Due to a very strong influx of Polish immigrants into the community the school's enrollment is almost at capacity. The addition of a pre-kindergarten program has also drawn many parents to choose Holy Cross School for their children. In a twist of history the basement of the Church was again converted into classroom space in 1996 in response to the rise in enrollment.

Generations of students have graduated from Holy Cross and many have become professionals. The graduates of Holy Cross serve as leaders of the local community and the Church. Many graduates continue to be members of the parish and send their children, grandchildren and even great-grandchildren to the school because they are proud of and value the educational reputation of the school.

Dear Faithful of Holy Cross Parish:

It is with great joy that I write to extend my best wishes and promise of prayers to the community of Holy Cross as they gather to celebrate the 75th Anniversary of the dedication of the parish school.

Many are the cherished memories of Holy Cross School. Through the seventy-five years of its existence, it has been an exemplary faith-filled community. Through the years, parents have entrusted their children to Holy Cross School, confident that they would receive an excellent education, and that confidence was richly rewarded. As they increased their academic knowledge and learned the Gospel message by precept and by example, Holy Cross School lay the background for advanced education and for successful, grace-filled lives.

I am happy at this time to extend my congratulations and gratitude to all those who have been a part of the seventy-five years of excellence: teachers, administrators, clergy, students and parents.

I address a specific word of congratulations to the alumni. How proudly each can say: I am a graduate of Holy Cross School!

It is my prayerful wish that the anniversary will be a joyful occasion and that the Christian community of Holy Cross will continue to make happy memories for many years.

Faithfully in Christ,

"...Szukajcie prawdy jasnego promienia!  
Szukajcie nowych nieodkrytych drog...  
Za kazdym krokiem w tajniki stworzenia,  
Coraz sie dusza ludzka rozprzestrzenia,  
I wiekszym staje sie Bog!

Ale nie depczcie przeszlosci oltarzy  
Choc macie sami doskonalsze wzniesc,  
Na nich sie jeszcze swiety ogien zarzy,  
I milosc ludzka stoi tam na strazy  
I wy winniscie im czesc!...."
