# *Blessed Cunegunda*

## *The Queen*

Blessed Cunegunda, daughter of King Beli IV was brought up in a very pious atmosphere and, as a child, was a virtuous one, mortifying and fasting. She had a special devotion to Our Blessed Mother and spent many hours praying to Her.

In her youth, she had decided not to marry, but being persuaded, consented to marry King Boleslaus of Poland, at whose side she could accomplish a great deal for the poor and the needy.

King Boleslaus, drawn by her saintly life, agreed to a life of chastity, and both labored for the good of their people and the salvation of their own souls. They built convents and schools and contributed great sums to them.

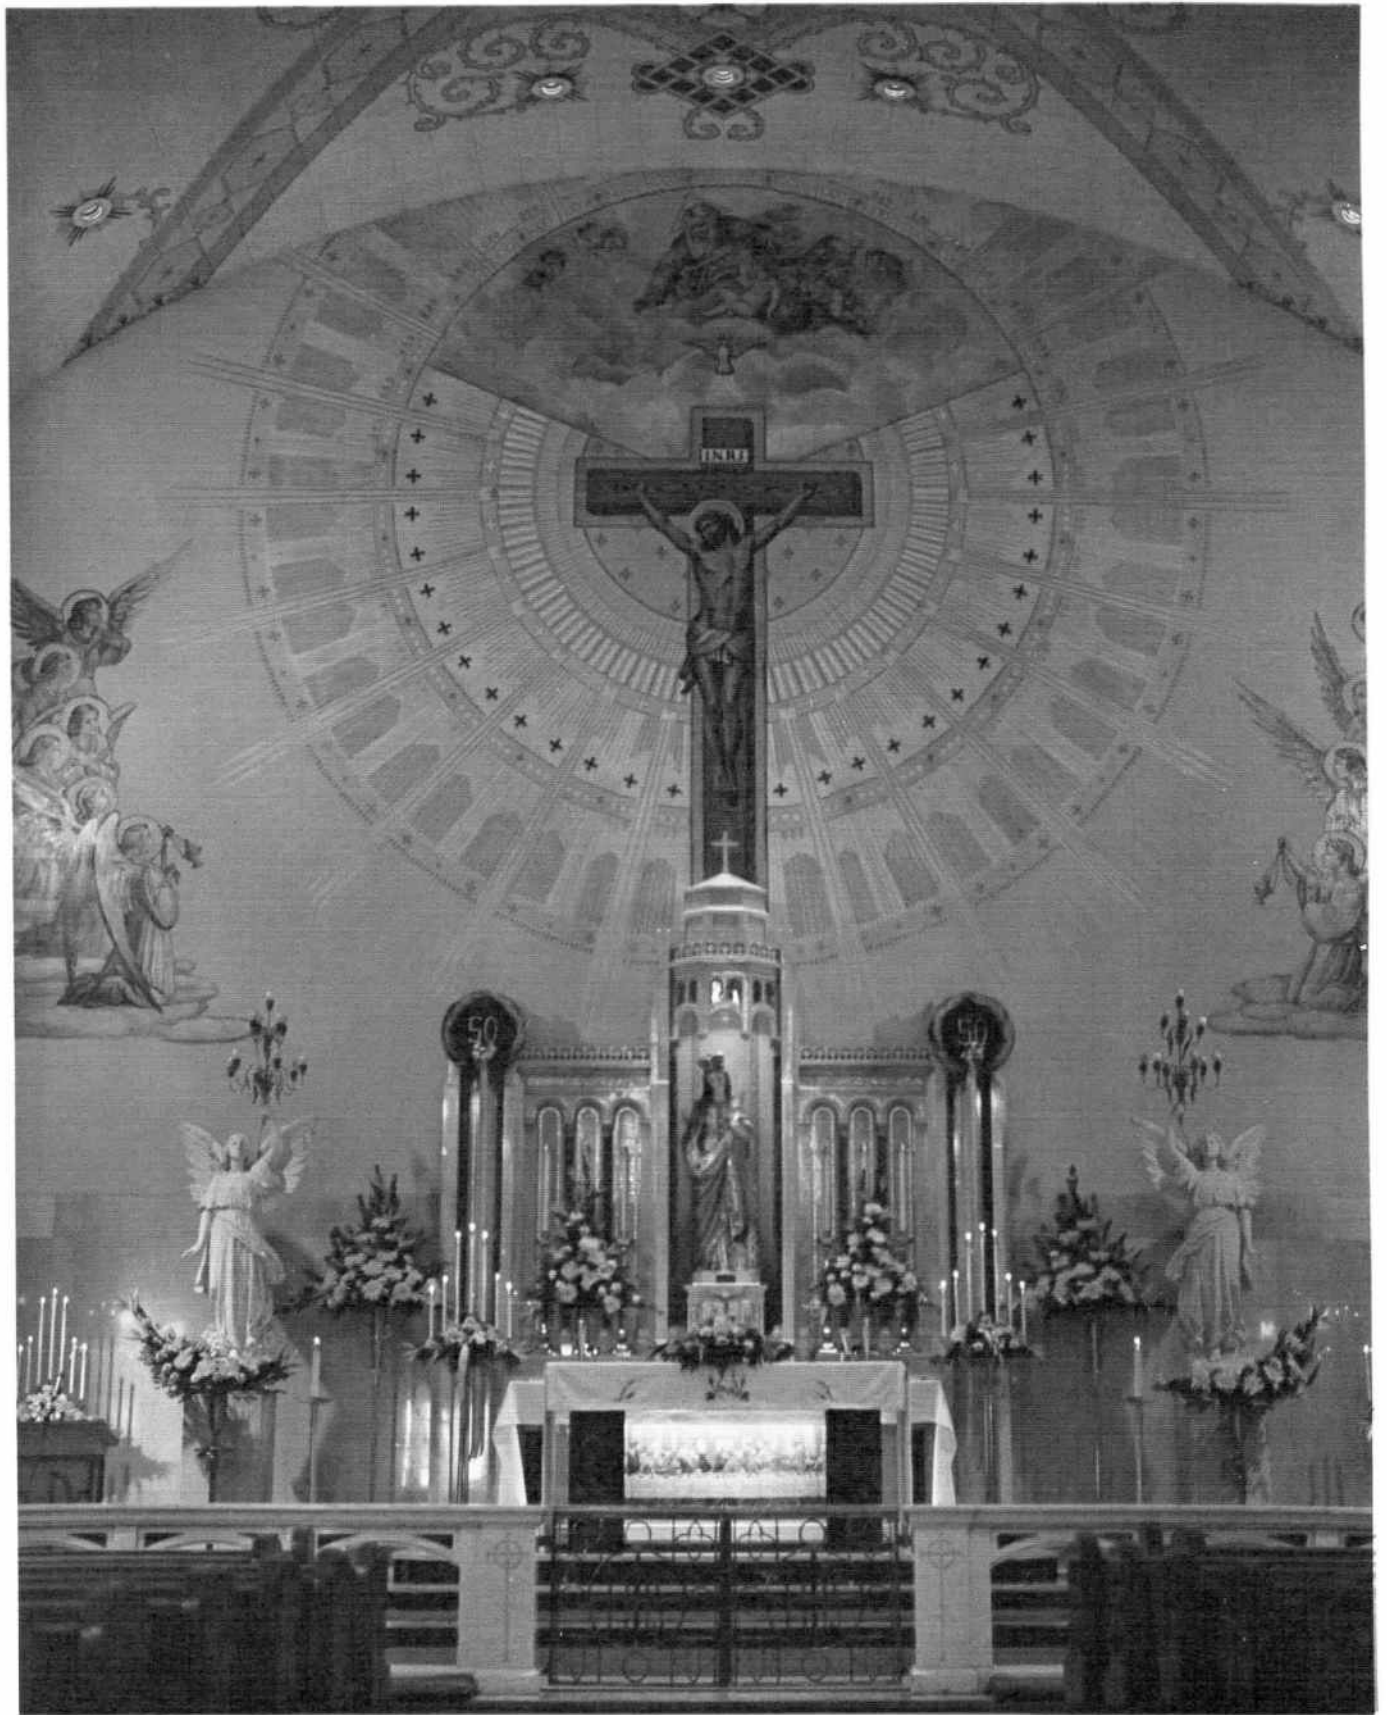

She deprived herself of many luxuries, avoided parties, instead visited the sick, consoled the oppressed, helped the poor. To improve the economy of the country she brought miners from her country, opening salt mines in Bochnia and Wieliczka. She shared with her husband King Boleslaus of Poland the sufferings to which the Tartar invasion subjected the land. She gave her dowry to arm the armies against the assault of the enemy.

After the death of her husband, she entered the Convent of the Franciscans in 1279. She died a Franciscan tertiary in the nunnery she had founded at Sandiez.

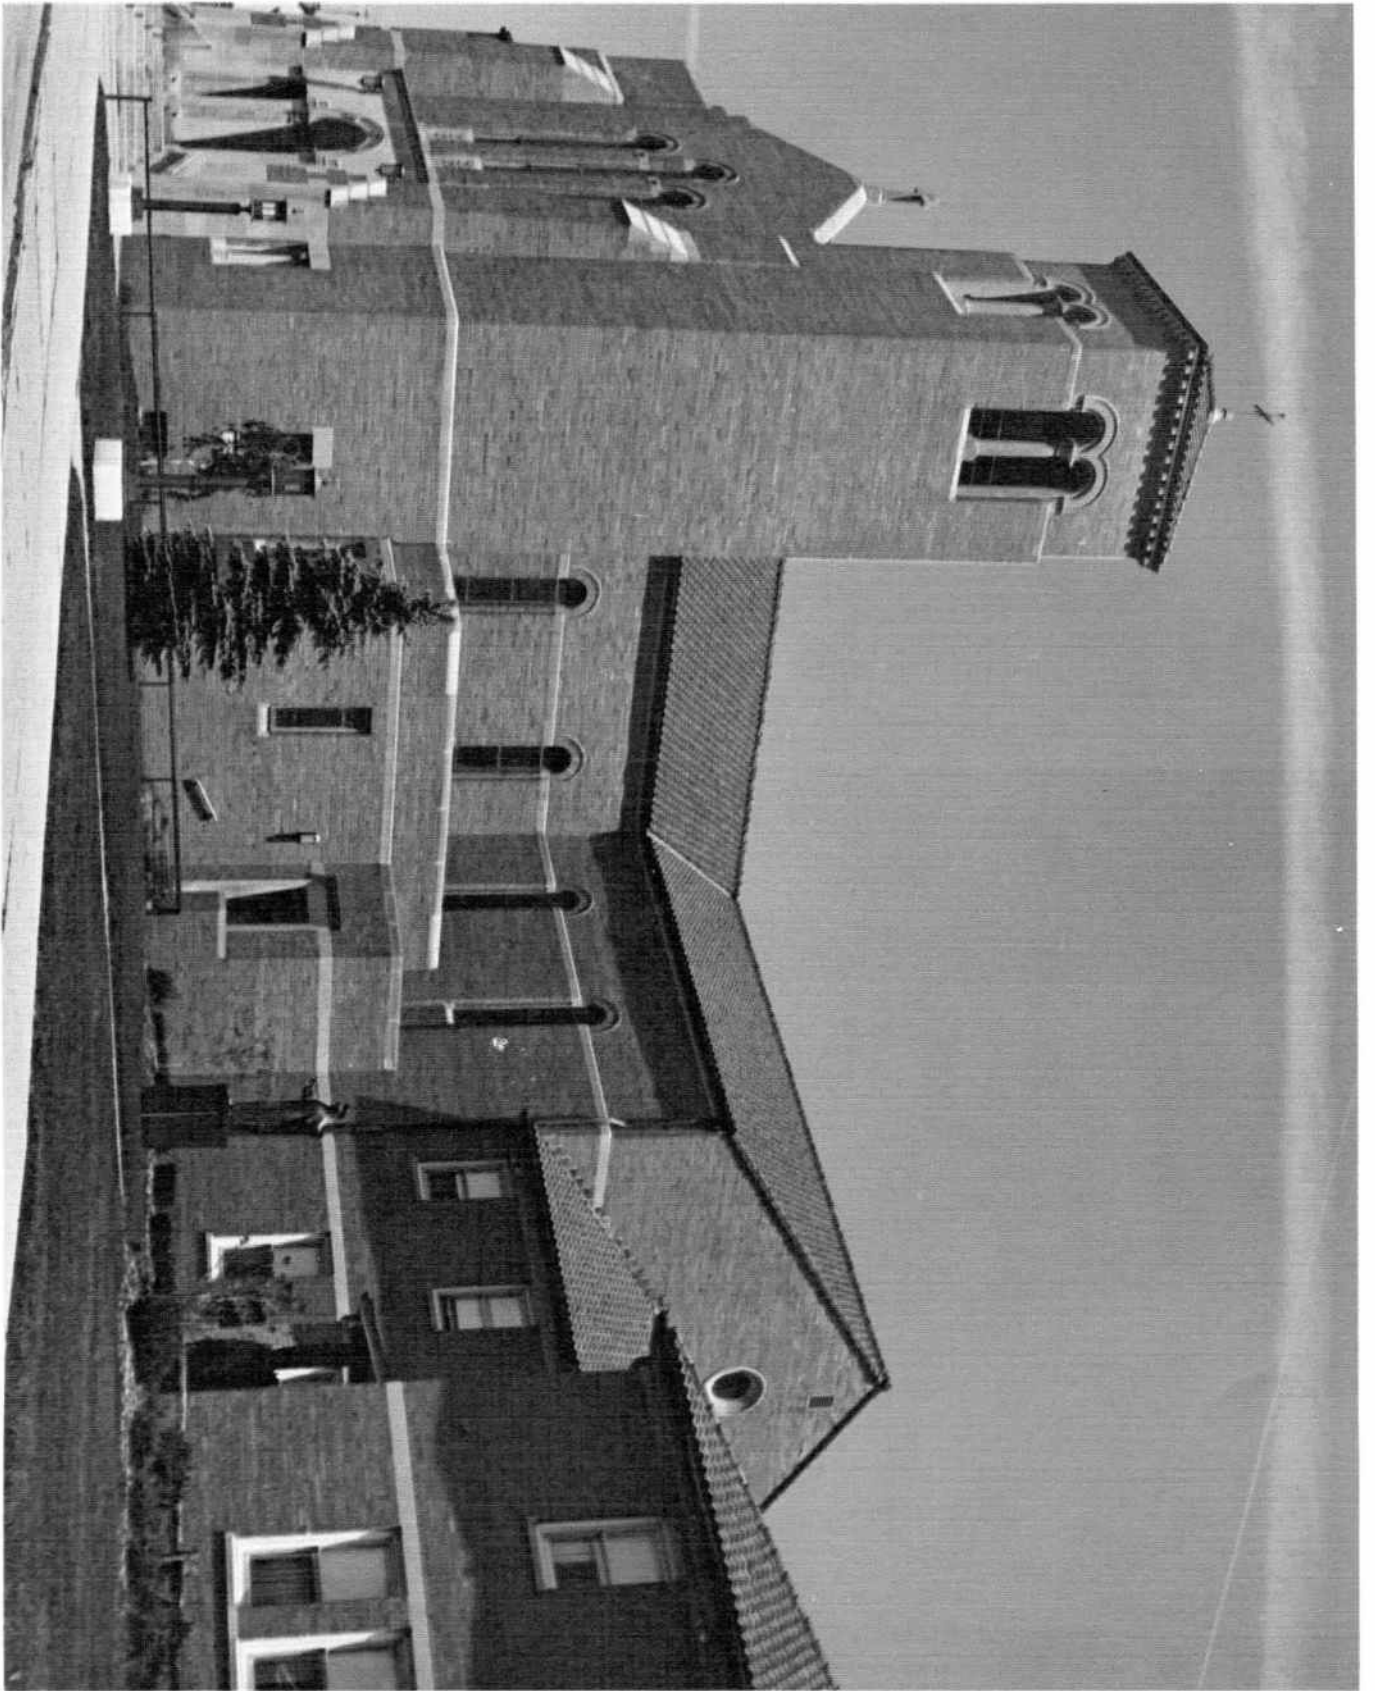

Many miracles resulted from her intercession. Pope Alexander III decreed and proclaimed her Patroness of Poles.

Her feastday is July 24.

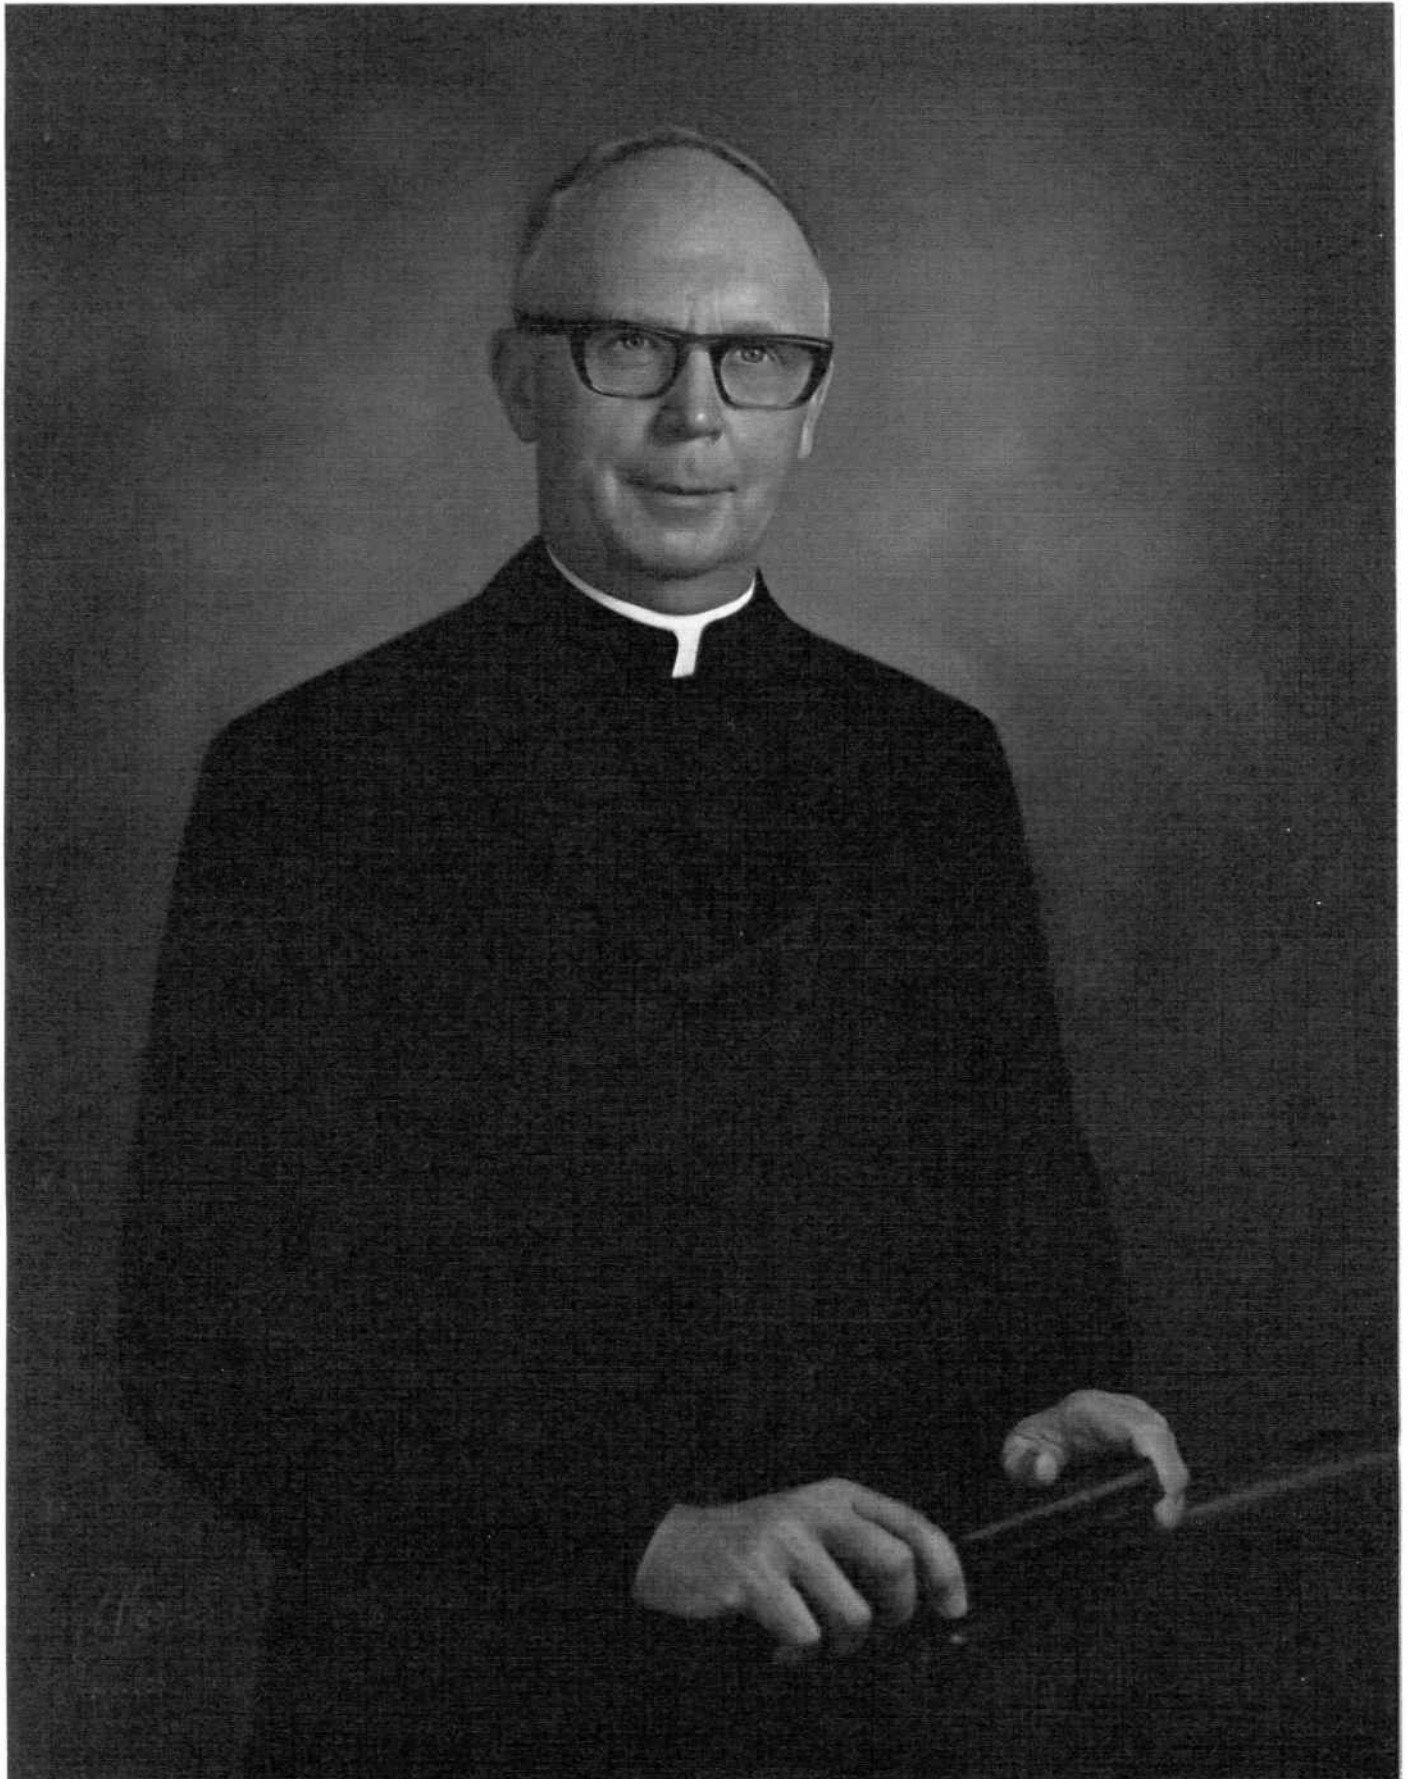

# Letter to Parishoners

Moi Drodzy,

A year ago, when we initiated the Golden Jubilee Program, it seemed that the actual celebration was eons away. Perhaps, the early pioneers might have reflected on this day at that time when they petitioned to have St. Cunegunda established as their parish community. The day has come. Indeed, you have cause for rejoicing, as you have been the effective sign of presence of God's kingdom for the past fifty years.

A jubilee celebration of the past half century gives you an opportunity to pause and to count your blessings that have come to so many of you over a half century of parish existence. Too often, we take for granted the rich heritage of the faith and the traditions that have been brought to us with beauty and strength. It has penetrated your lives more deeply than you realize. And it continues to live in you.

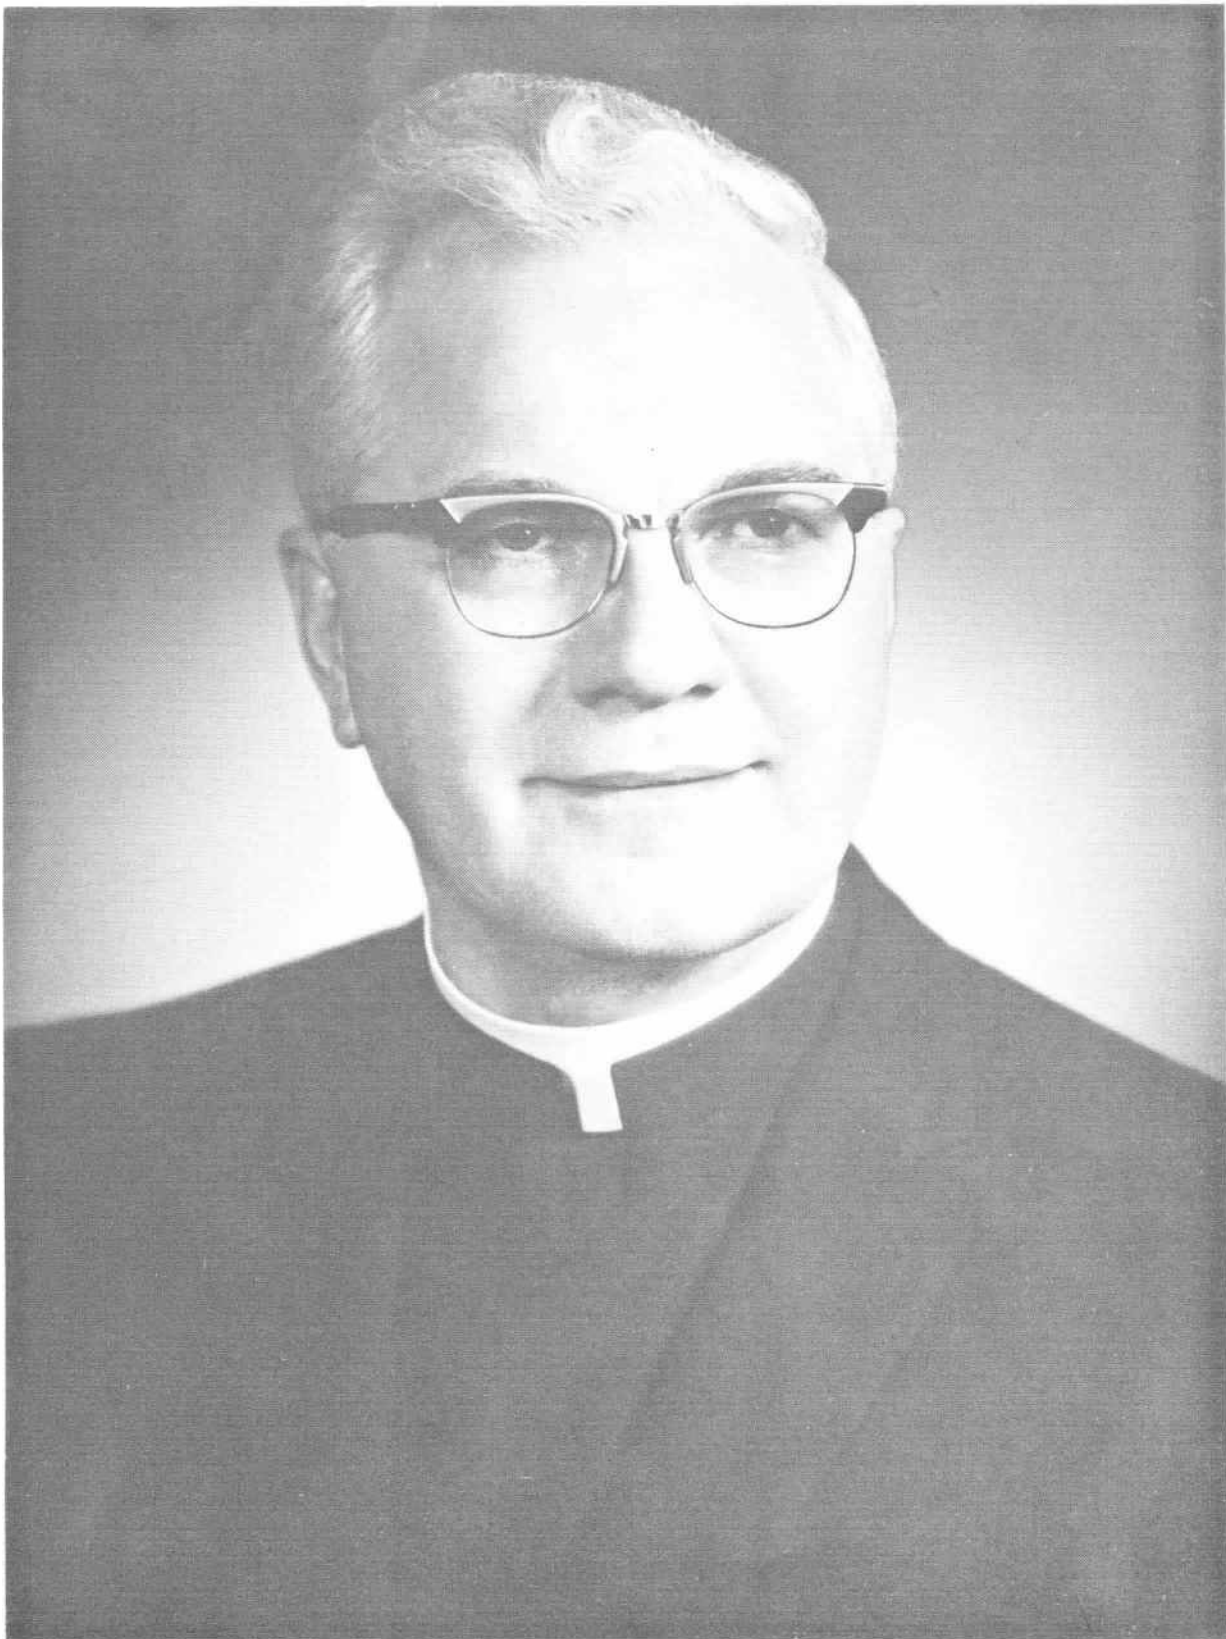

Through your devotion, dedication and in your service of ministry, you have extended the Lord's presence among yourselves. The complex of our buildings, beautiful as they are, is only the resultant of the true vitality which was indicated by the willingness of all the members of the parish to become actively involved and to assume responsibility in the ministry of Jesus Christ.

You can be rightly proud of your parish community for it is as strong and active now in these days of our reflection and jubilation as it was fifty years ago. Because your faith is actively practiced and constantly nourished, it remains ever virile and relevant as we continue to be challenged by time and change. But, because your devotion and love was steady in the Lord, you are ready and willing to pursue that direction which will fulfill your destiny and desires.

This celebration is an occasion of gratitude and rededication. It is fitting to express our deep appreciation for all you have done for St. Cunegunda. May we and those who are yet to come, esteem your sacrifices and ask that God reward you abundantly.

We praise and thank God with you for the innumerable blessings conferred on you in the past. We pray for ever new blessings from that inexhaustible fount of goodness on every one in the times to come. May God bless and may his Blessed Mother protect and guide you always. Szczęść wam wszystkim, Boże!

With our heartfelt and sincere wishes,

# SYLVANIA SISTERS

For fifty years the Franciscan sisters of Sylvania, Ohio were responsible for the Educational Progress attained by the students of St. Cunegunda School.

The main objective of the Sylvania Franciscans has been to develop and maintain "Christo-Centric" characters and personalities. The aim of the sisters was very simple: to establish a truly Christian way of life. They did not intend to remake the world or protect the status quo or to win renown and recognition. They attempted to enlighten the minds and wills of their pupils, to guard their "inalienable rights", and to encourage an environment in which the blessing of Almighty God could be enjoyed. These ideals have been communicated through the efforts of those engaged in teaching at St. Cunegunda School in the past fifty years. Through their careful guidance, pupils have been led, step by step towards a better expression of their inmost Christian convictions, feelings and aspirations.

Today, THE SISTERS OF ST. FRANCIS OF SYLVANIA, OHIO consider it a privilege to join the hundreds of well wishers in extending our sincerest congratulations and best wishes upon this year joyous occasion of the celebration of your 50th jubilee. We are happy to know that we have been a part of your parish community.

Congratulations
