Dear Father Tamilowski:

On the occasion of the celebration of the 75th Anniversary of St. Hyacinth Church, August 19, 1984, it gives me pleasure to assure you that Pope John Paul II imparts the Apostolic Blessing on the parish community and all who join them on this special day.

By the generous sacrifices of Polish miners and steel workers this parish church came into existence. The difficulties of the lives of parishioners of this early period, coupled with their love of the Church, drew down many blessings upon their lives and the lives of their children. For all these favors the people of Saint Hyacinth's must be very grateful and His Holiness joins them in their thanks to Almighty God.

In this year of Redemption, Pope John Paul would like to recall some of his former thoughts:

"The mystery of the Redemption is...an unceasing reality through which God embraces man in Christ with his eternal love - and man recognizes this love, allows himself to be guided and permeated but it, to be interiorly transformed by it and through it he becomes 'a new creation.' Man, thus created anew by love, the love that is revealed to him in Jesus Christ, raises the eyes of his soul to God and together with the psalmist declares: "With him is plenteous redemption."

In this year of favor from the Lord, His Holiness hopes that the people of God will make fervent use of the sacrament of reconciliation and experience great peace and fervor. May I join the Holy Father in wishing you every blessing?

Sincerely yours in Christ,

Apostolic Delegate

Reverend Joseph A. Tamilowski
Pastor: St. Hyacinth Church

CONGRATULATORY LETTERS

From The Primate of Poland, Cardinal Joseph Glemp:

Dear Father Joseph:

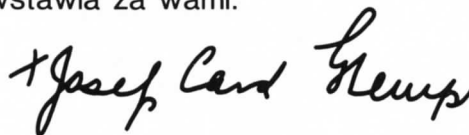

Blessed be God, the Father of our Lord Jesus Christ, for he has blessed us with every spiritual gift in Christ/Eph. 1:3/.

It is since 75 years that Saint Hyacinth Church praises God in Monessen and fills Christians with signs of God's love for us. Give thanks to the Lord for your union with God.

Saint Hyacinth taught the Gospel to nations neighbouring with Poland: follow his example by bearing witness to God's love and justice so that all may know you are the disciples of Jesus.

A Matka Boza, Pani Jasnogorska, miech sie wstawia za wami.

Z serca blogoslawie.

Jozef Card. Glemp

Primate of Poland

From Bishop Stephen Wesoly, Rome, Italy:

Dear Father Tamilowski:

Thank you for your kind letter informing me about the Seventy-fifth Anniversary of St. Hyacinth's Church in Monessen that you will be celebrating on Sunday, August 19, 1984.

This is a truly great and historical event, in the life of the Parish. May I therefore convey to you, Dear Father, and to the Parishioners of St. Hyacinth's, my sincere congratulations.

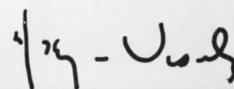

An important feature of St. Hyacinth's character was his missionary activity. In carrying out this task he was supported by his personal devotion to the Eucharist and to the Blessed Virgin. No matter where he found himself, he always tried to develop this attachment to Jesus and His Holy Mother.

I sincerely hope that the example set by the Parish of St. Hyacinth in Monessen radiates now, and in the future will always be an inspiration of a true and pious devotion to the Eucharist and to Mary, Mother of the Church. In this way, St. Hyacinth's will also perform its duty of missionary activity in the world, where the Parish Community makes Christ truly visible and present to other people.

May God bless you in all the good you do to others!

With kind regards and best wishes

Yours sincerely in Christ.

Reverend Joseph A. Tamilowski
Saint Hyacinth Church

Dear Father Tamilowski:

I rejoice with you and your people as you prepare to celebrate seventy-five years as a Parish. I know that much of what your people will be celebrating is due to your careful and enthusiastic leadership these past six and a half years. With them, and with a grateful heart, I rejoice very specially in this dimension of the celebration.

Saint Hyacinth, Apostle of the Slavs, Patron of Poland as well as of your Parish, will continue to inspire your people to live by the Faith. History notes him as one of the earliest disciples of Saint Dominic. Apparently he witnessed the Saint's miraculous resuscitation of a young man who had been killed in a fall from his horse.

Upon his return to Cracow, famous today for its Archbishop who currently directs the whole Church as Pope John Paul II, Saint Hyacinth is remembered for the Dominican convents he founded in Cracow and Danzig.

Tradition credits him with missionary journeys of thousands of miles on foot preaching the Gospel message. Like the present Holy Father these journeys took him far beyond his native Poland. Evidence indicates his presence in Lithuania, Bohemia, Denmark, Greece, Russia, Tartary and Tibet.

Again, like the Holy Father Hyacinth is remembered for his very special devotion to the Mother of God. This won for him death on the Feast of the Assumption.

May Mary's loving care watch over you and your people, keeping you close to her Divine Son, in these final years of the first century of your existence as a Parish.

Devotedly yours in Christ,

Bishop of Greensburg

To the Priests and People of
St. Hyacinth Church, Monessen:

I rejoice as one with Polish blood in him on the anniversary of the establishment of your parish, St. Hyacinth, some seventy-five years ago. I remember the old church and school and how much the people loved it and faithfully attended Mass there. I remember the struggle and the sacrifices made to have the parish church moved to a new location, set high on a hill, in keeping with the Scripture injunction, "I have known the dedication of the parishioners to their community, to their Polish heritage, and to their priest."

All this comes back to memory as one also thinks of priests in recent times, the gentle Father Joseph Nowakowski, the anxious Father John Sieczkowski, and Father Casimir Trzeciakowski. Your present pastor, Father Joseph Tamilowski, has truly been a good shepherd, anxious for his people, wanting them to assume a leadership role. You have supported and helped all these priests and this day, therefore, should be one of joy.

With every best wish, I am

Sincerely yours in Christ,

Norbert F. Gaughan
Auxiliary Bishop of Greensburg
Vicar General

ST. HYACINTH CHURCH

Monessen, Pennsylvania

Dear Parishioners,

May Our Lord Jesus Christ be praised! Congratulations to the parishioners of St. Hyacinth Church, both lifelong and present, on this the Diamond Jubilee of the parish (1909-1984). Together may we express our thanks to God for the Graces of the Divine Sacraments and the Blessings through the priesthood of Jesus Christ that we have received over the past seventy-five years.

From the history of the parish it is evident that the Polish culture has been a vitalizing resource for both the sacramental life and the educational life of the parishioners of St. Hyacinth. The parochial school of the parish began in a formal school building in 1911. Vibrant parochial life endured because of an understanding of the need to fulfill four major educational objectives of Catholic education: first, the development of moral intelligence; second, the development of the reality of the supernatural; third, the development of the primacy of spiritual destiny; and the fourth, the development of the Christo-centric attitude. Each objective represented a definite religious and moral value in the mind of the faith-filled parishioner.

Our Lady of Czestochowa at Jasna Gora (Bright Mountain) in Poland, St. Hyacinth--patron saint of the parish, and St. Adalbert and St. Stanislaus--patron saints of Poland have served as focal mediators of supernatural resources in 1909 and on through the 75 years to today. Devotion to the Sacred Heart of Jesus, to Mary and to St. Joseph have nourished the personalities of St. Hyacinth's parishioners.

A deep practical appreciation of the Polish culture has provided a powerful framework for Christian-Catholic living in the community of Monessen. Culture includes the interwining of language, literature, history, customs, traditions, folkways and mores. Careful identification of these culture elements has energized the spiritual dimension of the Polish wedding and funeral, the observance of Christmas with the 'wigilia' (vigil) meal, the observance of Easter with 'swieconka' (blessed food) and the frequent use of 'sledzie' (herrings) during Lent--perhaps in the more distant past.

The rosary, the scapular, the Sacred Heart Badge, the crucifixes at home, pictures and statues of the Sacred Heart, the Good Shepherd and of Our Blessed Mother, prayerbooks and medals constituted many daily reminders of the existence and the presence of God in the home, in school, on the street and while traveling. However, the Church building--the original structure and the present beautiful building--was and is always the focal point for the parishioner of St. Hyacinth's. Why? Because it is in the Church that the Most Blessed Sacrament resides.

Today, a number of non-Polish people are parishioners of St. Hyacinth's. A beautiful exchange and reciprocity of culture are taking place in terms of language, customs, and traditions. An inspiring, meaningful program of Old Testament stewardship is at work at St. Hyacinth's on the mountain. A sharing of talents exists and is wonderfully alive. It was Jacob in the Old Testament who said: "I will offer faithfully a tenth part of everything you give me." (Genesis 28:22)

May I wish each parishioner and each visitor to St. Hyacinth's Parish an increase of Faith, Hope and Christ's Love. With each month of life remaining may there be an increase of the appreciation of the Beauty, Wisdom and Goodness of God, Our Father in Heaven. May the parish of St. Hyacinth continue to be a life-giving force for each person in the larger community of Monessen. Finally, may the Word of God in the Sacrifice of the Mass and through the daily reading of the Scriptures nourish each person of good will. Niech bedzie pochwalony Jezus Chrystus!

OUR PARISH PATRON, **ST. HYACINTH**

St. Hyacinth, who was born of noble parents in Poland around 1185, was known as the glorious apostle of the North. In 1218, as canon of Cracow, he accompanied his uncle, Bidhop Iwo of Cracow, to Rome. There he met St. Dominic, and received the habit of the Friar Preachers from St. Dominic himself. Within a year, he was sent to preach and plant the Dominican Order in Poland. Besides establishing two houses in Poland, he traveled to Austria, Moravia, Pomerania, Prussia, Denmark, Norway, Sweden, Scotland, and Russia, where he baptized thousands.

St. Hyacinth had an intense devotion to Mary, Queen of the Apostles. To the Mother of God, he attributed his success, and to her aid he looked for his salvation. When St. Hyacinth was at Kiev, the Tartar sacked the town, but it was only as he finished Mass that the Saint heard of the danger. Without waiting to unvest, he took the ciborium in his hands, and was leaving the church. As he passed by an image of Mary a voice said: "Hyacinth, my son, why dost thou leave me behind? Take me with you, and leave me not to mine enemies." The statue was of heavy alabaster, but when Hyacinth took it in his arms it was light as a reed. With the Blessed Sacrament and the image he came to the river Dnieper, and walked dry-shod over the surface of the waters.

He died on the feast of the Assumption in 1257. Pope Clement XII canonized him as Saint.

PRAYER TO ST. HYACINTH

O God, your Priest Hyacinth, spent his whole life proclaiming your Good News. Faithful to his priestly duties, and shining follower of St. Dominic, he also had a special love for Mary, Mother of Your Son and the Church. Grant through the heavenly assistance of St. Hyacinth, that we grow strong in our faith and love of You, Your Saving Word and the loving Virgin Mary. Amen.

Our Father Hail Mary Glory Be 3 times

Great St. Hyacinth, pray for us.

1909

OUR ST. HYACINTH PARISH BEGINNING

The first St. Hyacinth Church in Monessen, located on Reed Avenue and Rostraver Street, was erected in the summer of 1909. This rectangular shaped wooden frame building cost \$2,980 and was built under the direction of the first pastor, The Rev. Father John Rokosz.

The church was built by Polish immigrants who settled in Monessen at the turn of the century. The city of Monessen, founded in 1897, offered industrial work to these immigrants, but no opportunity to worship God in their native tongue. To satisfy this desire, the St. Michael Archangel Society (Group 333 of the Polish Roman Catholic Union) was organized on December 29, 1907. When the membership reached sixty families, a committee composed of Peter Poplawski, Jacob Centnarowski, Joseph Wawrzynski and Lawrence Rodack was established to raise funds and to secure permission to build a church for the people of Polish descent in Monessen. In six months they raised \$1,500 and with the aid of Rev. Father Ladislaus Odziemczewski, pastor of the Most Holy Name of Mary Church in Donora, they approached the Most Rev. Regis Canevin, Bishop of Pittsburgh, who granted them permission to establish a parish under the title of St. Hyacinth.

Father Rokosz arrived on May 1, 1909, and he had his first service for the Polish people in Monessen on May 30, 1909, in a storeroom on Donner Avenue between Third and Fourth Streets. In these temporary church quarters, Father Rokosz administered the sacraments of Baptism and Marriage and offered Mass for the living and deceased. Services were attended not only from Monessen, but from other surrounding communities -- Charleroi, Arnold City, Pricedale, Belle Vernon and Vesta. The parish quickly grew to 200 families, and six lots on Reed Avenue and Rostraver Street were purchased for \$3,400 and construction of the first St. Hyacinth Church began.
