GRATEFUL CLASS OF '49

Foreword

"Backward, turn backward, O time in Thy flight!" The River Time, a brimming stream, blends with the ocean of years with a faultless rhythm and a musical rhyme! As we, the class of '49, climb the lofty Bridge of Future, we pause to reverse the course of Time.

We extend our deep gratitude to the guiding light of our education and the nucleus of our school—The Administration and The Faculty. Through their benevolent guidance, we have attained the first glory of any school—a line of ideal graduates—gentlemen and gentlewomen with character, personality and apostolic zeal, who will be of energetic will, socially successful, and a real influence. The thoughts and advice of our superiors will always remain in our memory.

We, "The CHALLENGERS,"—a name suitably applied to the Class of '49—accept the summons of the obscured, confused world. Armed with the weapons of truth, justice and righteousness, we enter the sphere of perplexity with a steadfast, reliant stride. We stand on the shore of verity, unflinched by the subversive principles of the communists pervading the universe. God, our Mighty Fortress, is our only refuge and strength. We have dedicated our loyalty to God—"Christ is our center, we are Christocentric." We shall endeavor to satiate the earth with God-fearing men. Our aim, to Christify the secular world, shall encounter many obstacles, but in the end "truth" will emerge triumphant in this chaotic strife. Our exit from S.S. High, a significant event, is designated to reap bountiful fruits; our confidence in God is overwhelming. Our reiterating echo shall constantly envelop the hallowed hall of our Alma Mater—"If God be with us, who can go against us?"

Time is the most precious gift of God to men. The CHALLENGERS chose the hands of the clock as the supporting theme of the 1949 STAN-EM to stress its importance in the field of education. The hands of the clock move with rhythmic precision, arousing various emotions, for—

TIME is

*Too slow for those who wait
Too swift for those who fear
Too long for those who grieve
Too short for those who rejoice
But for those who love*

My dear Graduates

It is always with mixed feelings, that I say my parting word to the Graduates. I rejoice, that another group of boys and girls whom we received as callow youths, are now leaving the portals of St. Stanislaus High—prepared to meet the vicissitudes of life. But, I also grow pensive, when they reach the turning point in their lives, when as St. Paul says “They put away the things of a child” and launch into the world on their own. I then post the question; Have we, to whom they have been entrusted, acquitted ourselves creditably? Only their future lives can answer that satisfactorily. I believe however—that under our guidance and direction, you have become heirs of a resplendent Catholic and American heritage, and are ready to live it and transmit it to others.

I was particularly arrested by the apt motto you have chosen: CHRIST IS OUR CENTER—WE ARE CHRISTO-CENTRIC. In these days of all absorbing secularism, we must stress an all absorbing Christ-Centrism. There is only one antidote for secularism, and that is Christo-Centrism. The more the world tries to banish Christ from home, school, education, economic life, world neighborliness—the more you as Christophers—Christ bearers—must place Him there. But before you can “instaurare omnia in Christo,” restore all things in Christ—you must restore Christ in your own mind, heart, and soul.

Then and only then you will do all things “Per Ipsum, cum Ipso et in Ipso”—by Him, with Him, in Him.

May the spirit of Love of Christ guide you during the years to come. May the spirit of Commemoration Day be the spirit of your Graduation Day.

Devotedly yours,

REVEREND VINCENT BORKOWICZ

Your name—Graven in marble—it perishes. Written in deeds, it never dies. These sons and daughters possessing good Catholic Education are your living monuments.

THE THREE TRUE TRUMPETERS

Martin Kaput, John Rainko and Stanley Kasprzyk have given to the S. S. HI all their time, effort and musical talent without reserve throughout the four years of their High School career in the band. HATS OFF to you, Martin, John and Stas!

Scholarship

Loyalty

Achievement

In the field of SPORTS, Frank St. John and Ralph Beyer captured the "MOST VALUABLE PLAYER AWARD" at the end of the football season.

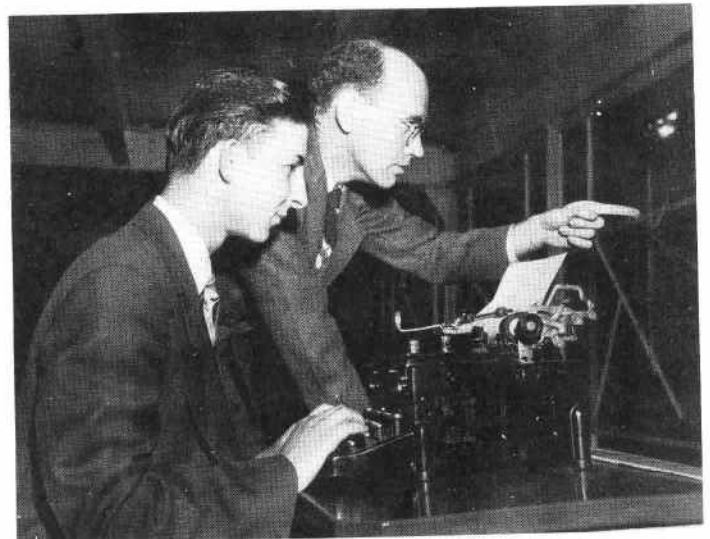

The Pastor, Reverend Vincent Borkowicz, presents the Scholarship Award of plaque and key to Leonard Goralski, an outstanding student of S. S. High who attained the highest scholastic standing in its history. Leonard had the distinction of having 72 Honor points in his Junior Year.

ALMA MATER is indeed proud of you, Leonard.

"GOVERNOR'S TROPHY" was added to the school collection of trophies. It is a distinguished award for "hobby" merited by Leonard Stress.

Robert Romanowski had the distinction of being named the "first boy scribe" to capture the Michigan Catholic's Reporter of the week AWARD.

The four-year Honor Students prove that study, application and effort are in no way detrimental to popularity. They go down into the history of S. S. High as the most scholarly, popular and worthwhile knowing group. They take out well rounded education, cultural attainments and pleasant memories. Here they are: Richard Fatka, Constance Glazewski, Leonard Goralski, Rose Marie Klepaczyg, Margaret Kwiatkowski, Rose Marie Pesta, Dolores Printz, Lucille Rundzia, Genevieve Rydel, Joan Stawara, Alice Sturgesleski, Dolores Suwienski, Conrad Wilamowski, Dorothy Wojnarowicz, Dorothy Wycikowski.

Miss Constance Glazewski gave the ALMA MATER a four-year service as a librarian. Connie, you have our appreciation and thanks.

The students enjoy the second year of drafting a course which adds considerably to the wealth of school curriculum.

Ray Woloszyk, John and Stanley Rainko—each a whiz in aero-mechanics—each a top ranking student.

Loyalty

"ST. STANISLAUS—It's where our heart lies—and we don't miss a beat."

S. S. HIGH bows with respect.

Left to right: Elizabeth A. Printz-'38; Eleanore A. Printz-'42; Theresa G. Printz-'43, now Sister Mary Estelle of the Felician Order; Bernadette M. Printz-'46, now Mrs. R. Dzingle; Dolores T. Printz-'49

Left to right: Walter P. Rainko-'47; Frank W. Rainko-'48; John T. Rainko-'49; Stanley E. Rainko-'49

ST. STANISLAUS HIGH SCHOOL is a tradition with some families, outstanding of which is the Printz family, whose five daughters have received culture and training within its walls. The Rainko family had four studious sons who found ample opportunities for a fine basic education. Dolores Printz and John and Stanley Rainko are the last descendants of these stalwart, loyal families.

ANOTHER TEST OF LOYALTY . . .

The clock turns thirteen years back

A group of Seniors relive their kindergarten days. They're enjoying the "Play Room" which at their time did not exist. This is how their thoughts run: "Say, this was the life! What fun! Not that we do not enjoy our Senior year, but the sand box, the swings, the slide and the toys still have charm. Wish we could start all over again . . ."

It is with special pleasure that the Reverend Vincent Borkowicz, the Pastor, recalls the day he had greeted this particular group as kindergarten tots—now he is about to see them graduate from S. S. High. Pleasant memories and happy moments link this carefree and loyal group with their friend and Pastor. Meet this reminiscing group: Lucille Rundzia, Dorothy Wojnarowicz, Betty Kuczynski, Rosemary Klepaczyk, Virginia Adamczyk, Dolores Printz, Rita Pietrzkievicz, Virginia Szpunar, Patricia Wesolowski, Adeline Rakowski, Mary Ann Kosteci and the Neumann twins, Dorothy and Phyllis. The boys, of course, are: Chester Rosiek, Stanley Drogowski, Leo Jeczen, Daniel Michalski and Walter Magreta.

Senior Broncs Doff Their Helmets in Farewell To Alma Mater

CAPTAIN Frank St. John . . . left half back . . . a very able captain of the 1948 Team and 1949 Class . . . sparked his team doggedly during the entire season. **VICTORY** was his dish.

Arnold North . . . end . . . though he played "end" wholly on defense, his line bucking and steadfastness broke up many a play.

Harry Hyaduck . . . guard . . . had all the traits of a hard line smasher and starred on the defense.

Jack Groner . . . end . . . his talent seemed to be focused mainly in catching a pass in the clutch.

Ken Jurek . . . back . . . keyman and pilot of many successful offensive plays.

Chester Rosiek . . . end . . . his distinguished feature was his supreme ability in his broken field running.

Norb Ugorowski . . . guard . . . he was a brilliant hard-charging, play-smashing lineman.

Ralph Beyer . . . center . . . met all necessary qualifications and lived up to the expectations of prospective "all city center."

George Dudzik . . . right half back . . . all around ability man . . . seemed to have a knack for using a fallen team mate for a blocker when he started his kangaroo runs.

Edward Dzienisowicz . . . back . . . brilliant player on offense and defense . . . one of the few triple threat backs of Stanies.

Martin Kaput . . . back . . . hard running and vicious tackling . . . were qualities rarely found in a football player.

Our Pride

Their Envy of Despair

It is for this TEAM, that so loudly we scream.

Our Senior Players

Edward Dzienisowicz — "Forward" — From his first appearance in the Bronco uniform, Jigtime startled everyone with amazing accurate shooting ability.

Captain Edward Formanczyk — "Guard" — A four-year veteran has developed a preternatural talent for fast dribbling and arrow-like shooting.

Jack Groner — "Forward" — gifted with astonishing talent for set shooting.

Michael Jachcinski — "Forward" — whose angelic and nimble fingers for ball handling has become a valuable factor for many a victory.

Martin Kaput — "Guard" — A veteran of four years whose quickness of perception and rapidity of thought and action has helped to win many a game.

Arnold North — "Center" — a stalwart man has met all the qualifications of becoming a great player in this nation-wide popular pastime.

Edward Osmialowski, Joseph Sekowski and Leonard Wroblewski are the new assets for the Broncos. Their height and agility are valuable contributions to the team.

Broncoeds

Keen Competition

Eager Participation

Miss Jeanette Kolodziejski, the newly appointed coach for the Broncoeds brings new vigor, inspiration and rudimentary principles of fair play. The Broncoeds know how to meet Victory and Defeat in a true parochial spirit. The Senior Broncoeds smile their "FAREWELL".

Virginia Adamczyk—"Guard"—is a very good player. Her speed and knowledge of basketball had been a great asset during four seasons.

Dolores Chmielewski — "Forward" — Short and effective. Her alertness caught every trick in playing.

Gladys Jozwiak — "Forward" — A fast thinking player whose keen eyes made her aware of every move of the game.

Geraldine Olszewski — "Forward" — Her height and calm disposition often brought a winning point.

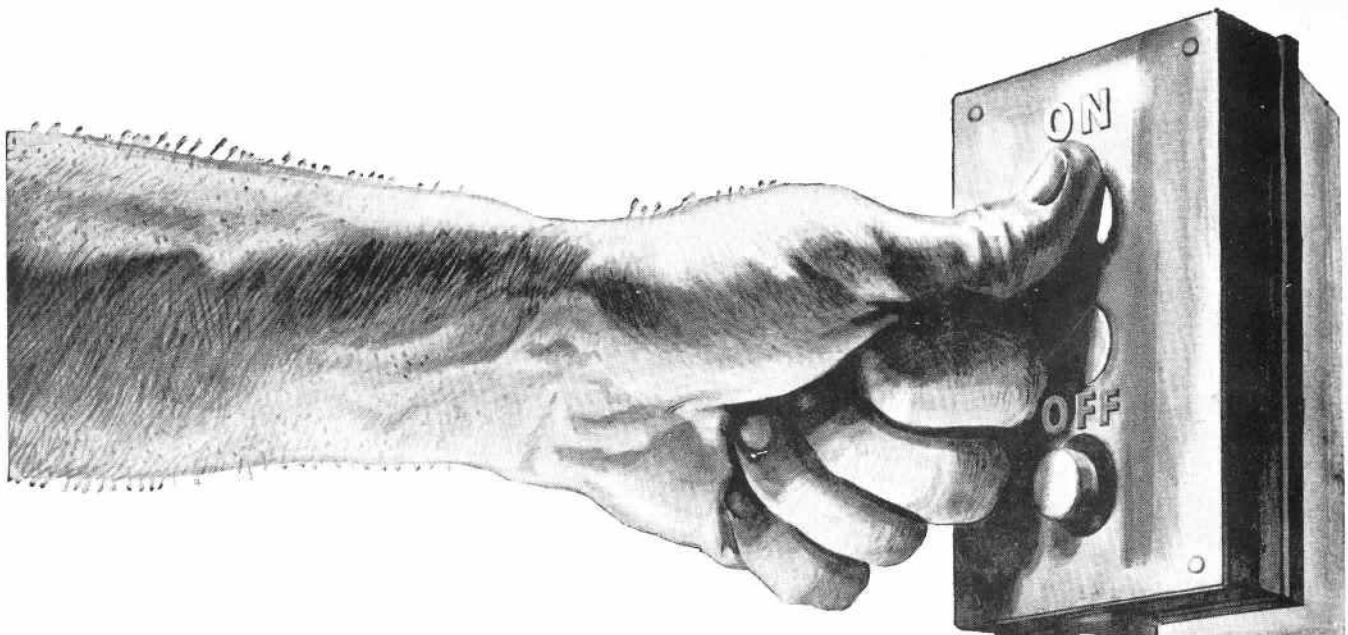

Margaret Wojciechowski — "Guard" — is a fair player. She has an astonishing way of recovering the ball.

The future Broncoeds will make a promising team. Here they are: Gloria Detloff, Arlene Buszka, Sophie Lisowski, Ilene Przybylski and Eileen Glazewski. With a little more practice and coaching, they are bound to soar to the top.

BUSIER and BUSIER...

Industry is busier than ever before, and so are we at Detroit Edison. Each week more homes and shops are going up . . . farms are modernizing. All are using more and more electricity. This growing business and industrial activity means greater opportunities for trained people.

We congratulate the class of '49 and look to you, the graduate today, for leadership tomorrow.

PICTURE OF A HIGH SCHOOL GRADUATE

SHE'S one of thousands of high school graduates who feel that the telephone business is a worthwhile work . . . worthwhile for the people engaged in it . . . worthwhile for the entire community.

Like most Michigan Bell women, she entered the business with girls her own age . . . learned by doing . . . was well paid while learning . . . gets regular pay increases . . . looks ahead to continued opportunities for advancement . . . enjoys vacations with pay.

The girl in the picture is an operator . . . but there are many other types of jobs at Michigan Bell . . . and they're all important, too . . . because we're like a team and everyone has a necessary part to play.

Employment opportunities at Michigan Bell vary from time to time . . . from city to city . . . but one thing about it . . . we're glad to talk with girl graduates . . . always . . . anywhere.
