A Message From Our Pastor

Dear People of St. Stan's,

Of many favorite Scripture passages, one especially comes to mind when prompted by thought of the Parish Directory. It is taken from Paul's letter to the Ephesians:

"So then, you Gentiles are not foreigners or strangers any longer; you are now fellow citizens with God's people and members of the family of God. You, too, are built upon the foundation laid by the apostles and prophets, the cornerstone being Christ Jesus Himself."

(Ephesians 2:19-20)

These Words of Paul are a reminder to us of what we are about. For one another we are to be the "family of God" and whenever I hear the word "family" it immediately implies a loving, caring people.

Fr. Darius W. Wyszynski, Pastor

This is our goal, our objective, not only as individuals who minister to you, but as people who minister to one another; to build a "family of God", a loving, caring people. This is the implication of our Baptism, the reality of the Eucharist which we share when gather as His Family around our family table, the meaning of our Confirmation when we allow the Spirit to use us, and our gifts, to build this family.

This directory is an attempt to enhance the growth of this loving, caring people by at least allowing us to recognize one another, and know one another by name. In time, it may even destroy some of the distance and shyness that is created because we are strangers to one another even though we are of the "household of the faith." Hopefully, this directory will be used as a tool, a tool that can help fashion this people into a loving, caring family.

Paul's thoughts on this subject do not end with the words quoted above; he continues:

"He is the one who holds the whole building together and makes it grow into a sacred temple dedicated to the Lord. In union with him you too are being built together with all the others into a place where God lives through his Spirit."

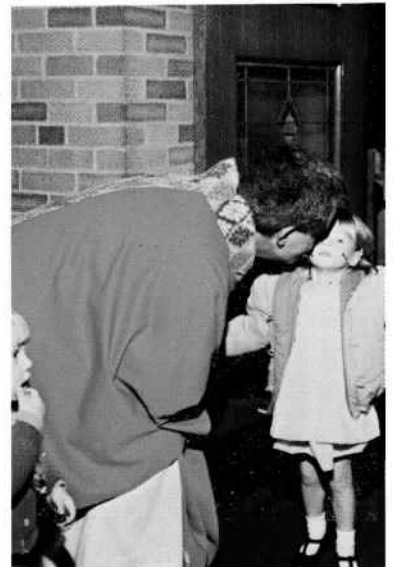

(Ephesians 2:21-22)

What an exciting time for us! When all of us are involved in building a family "where God lives through his Spirit."

Sincerely in Christ,

Fr. Darius W. Wyszynski

Father Darius W. Wyszynski, Pastor
St. Stanislaus Kostka Parish
Jackson, Michigan

Our History . . .

In 1913, Polish families who lived in the southeastern part of Jackson, organized the St. Stanislaus Club and began a drive to organize a parish.

A house on the corner of Pringle and Elm was purchased in 1917 and ground on the corner of Joy and Elm was acquired in hopes of expansion.

The dream of a parish became a reality for these Polish people in October 1920, when St. Stanislaus Kostka Parish came to existence. The Rev. Fr. Bernard Ciesielski was appointed the first pastor.

Since space was limited, Mass was celebrated in the Polish Falcon Hall and later in the house which had been purchased on Elm and Pringle.

In the spring of 1921, the cornerstone for the combined church and school was laid in October of the same year, the building which had housed a church in the basement and a school on the upper floors were completed.

The Felician Sisters also were called on in 1921 to teach at St. Stanislaus School and have taught here ever since.

A convent to house the sisters was built in 1935-36 and the Rev. Fr. Joseph Nowaczyk, who was appointed pastor in 1932, headed the drive for construction of the convent.

During 1935-36, St. Stanislaus also built a parish hall (known as Kostka Hall) today.

A drive to obtain funds for construction of a new church, the one we presently worship in, was

started in the early 1950s and the church was completed and dedicated May 26, 1957.

After the death of Fr. Nowaczyk, the Rev. Fr. Hubert J. Rakowski assumed the pastorship in 1965 until his death on February 9, 1979. The Rev. Fr. Darius Wyszynski was named pastor in May 1979, a position he currently holds.

In May of 1982, Fr. Wyszynski purchased the home on Elm adjacent to the parking lot and its main objective is a meeting place for parish activities.

Rosary Society -- Celebrated its Golden Jubilee in 1969. Its goals are to foster a better spiritual life and to encourage others to follow the same example. The Society also has raised funds to purchase property for the church, school, rectory and it also purchases supplies for the altar and sanctuary.

Ladies Auxiliary -- it was organized November 13, 1947. Annually the club provides the children with Christmas and Easter treats, school picnic, and many fund raising projects related to our school.

Kostka and Usher Club -- newly organized in January of 1967. Its main objectives are to aid the pastor in spiritual and temporal needs of the parish, develop brotherhood among the men of their parish and to involve all men of the parish in the spiritual social and financial affairs, common to the needs of the parish.

School Board -- Its basic function is working for common goals and objectives for our school, the physical improvements and teachers' salaries.

Picnic Committee -- Since its origin in 1966, the annual Parish Picnic has been a social and financial success and a summer highlight in our parish. A major share of the proceeds from the picnic are used to pay lay teachers' salaries so that St. Stanislaus Parish may have competent teachers to keep the school operating at a high degree of efficiency.
