Pastor's Message

Our Jubilee Centennial Year

1874 - 1974

Today, October 20th, 1974, we gloriously and with pride celebrate The Centennial of our Beloved Parish St. Stephen's in New Boston, Michigan. I imagine during the past one hundred years we did have our "fat and lean" years. There were years and times where things looked so hopeless for St. Stephen's. And still our determined fore-fathers and founders of this parish with the help of God's grace, rose up on every occasion. And so, today, after one hundred years, we as their benefactors are happy and justly honored. Our present accomplishments have been many and significant thanks to St. Stephen's dedicated Priests, Sisters and Parishioners. We dedicate this Centennial Directory to the memory of Father Alphonse Nowogrodzki, Father Peter Wyrzykowski, Father Edward Miotke (only living former Pastor of St. Stephen's at the time of our Centennial) Father Ignatius C. Czapski, Father Ladislaus Golas, to all the Felician Sisters who served St. Stephen School both living and deceased, and to our entire Parish Community living and deceased. Pictured and listed here in is our Parish Centennial Family in 1974. May God, Our Father be pleased with us! May Jesus our Brother be the source of our continued strength! Today, October 20, 1974, together with our beloved Bishop Arthur Krawczak representing our Chief Pastor John Cardinal Dearden, we humbly offer our thanksgiving to our Eternal Father, and to our Patron, St. Stephen for the one hundred years of paternal care given to us.

I congratulate today the Priests, the religious, and every member of this wonderful Parish pictured and listed in this historic centennial directory. Like our fore-fathers you and I have likewise made many sacrifices for the good of St. Stephen's Parish here in New Boston, Michigan. I know for this God will bless us all abundantly! We are the family of God's people. Let us continue to pray for one another. For those whom God called to the next world and who now rest in our Parish St. Stephen Cemetery, for our children, for our youth, and for the old that we may still carry on with greater zeal, what we have guarded and treasured for these last one hundred years.

As your Centennial Pastor during this Centennial Year 1974, I bless you one and all from the depths of my heart. I welcome the opportunity the printing of this Centennial Directory gives me of expressing to you my sincere congratulations to the good people of St. Stephen's, to Sister Mary Celine, our Principal, Sisters, and Teachers who at present staff our school. Somehow we all share in the Priesthood of Jesus in our own unique way as we continue to build up the Body of Christ. Surely this is a good time to look back and together with you I thank God for the blessings that has come to people of this parish. We look now confidently to the future and pray for those whom the parish will serve in the years to come. We live at present in very turbulent times. Let us not fail to recognize that time and circumstances will necessarily make changes in our progress. Still we must remain confident that in the years to come St. Stephen's Parish in New Boston, Michigan will continue to be a leading instrument guiding us all to God. In the years to come may this Centennial Parish Directory that we now publish in the year of our Lord 1974 recall the hallow date of our First Centennial and the historical place that it now has in the history of this Centennial Parish. Saint Stephen, our Parish Patron and Martyr, Pray for us.

Father Alexander Joseph Wyrwal - Pastor

Sincerely yours in Christ,

Father Alexander J. Wyrwal
