Saint Valentine ~ Our Patron Saint

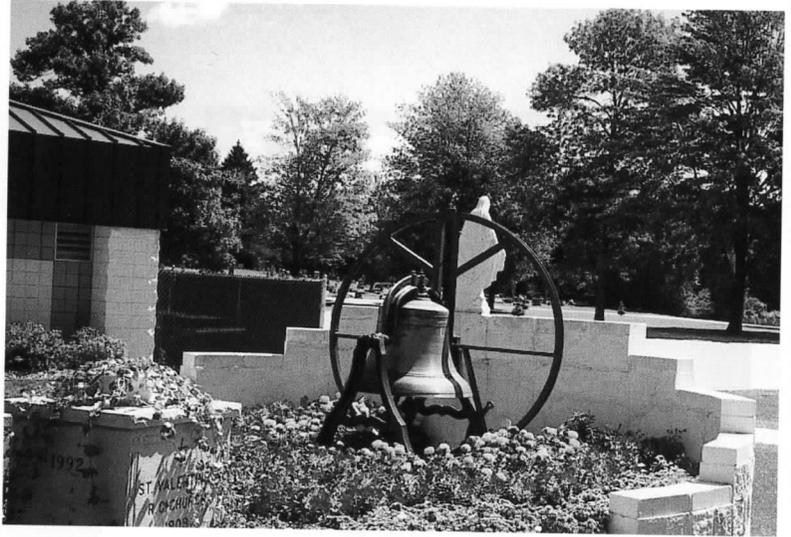

Valentine was a priest and bishop of the third century who dedicated himself to the care of persecuted Christians. When enemies attacked the Christians, Valentine showed them that he was their friend by attending to their injuries when others might have been too afraid to offer any assistance. Valentine put his heart into his concern for others.

Valentine was martyred in the middle of February during the annual mating season of birds in Rome. On the anniversary of his death, the early Christians honored Valentine by exchanging written greetings of love and affection with their mates. This custom developed into our contemporary custom of exchanging valentines with friends and loved ones.

The bell from our old church

For 365 days, the span of time in our Centennial Year, we celebrated 36,525 days in the lives of the people of Saint Valentine Parish.

Just think how many moments of Grace came to individuals and their families in our parish in that number of days. These moments were often remembered by members and passed on to their children and their children's children, and more importantly, recorded in heaven. The people of St. Valentine Parish have always banded together, such as the replacing of the original church, faith-filled people moved forward and provided a place well-suited for today's Liturgical celebrations.

Our Centennial celebration must always be an act of thanksgiving for God's blessing. All who have had their souls cleansed these past 100 years in Holy Baptism (1,749), their spirit strengthened in Confirmation, their weak natures renewed in the Holy Eucharist, their Unions (632) blessed in the Sacrament of Holy Matrimony, and their souls prepared (511) through the Sacrament of the Sick, all indeed must give thanks.

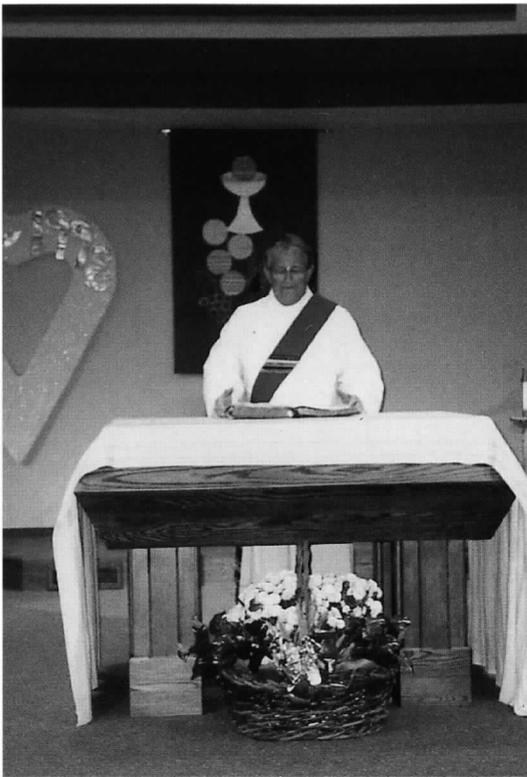

The future generation is dependent upon the Grace of God, which is granted to all who are willing to make necessary sacrifices: and so we give thanks and renew ourselves for the future. Let each of us call upon the Grace of God so that we may be deserving of the title, **"People of God."**

"As the footprints of our ancestors continue to be heard," may they rest in peace, and to all, God's many blessings.

A YEAR TO REMEMBER

THE TRAVELING STATUE OF OUR LADY OF FATIMA

Inspired by the beautiful story of Our Lady of Fatima and concerned for the boys in the service, the late Father Kaminski, then pastor of St. Valentine's, was determined to help bring about a lasting peace. He purchased a 27-inch statue and christened it "The Traveling Statue of Our Lady of Fatima," in 1945 the novena began during World War II and has continued until the present time.

The first novena was held at the Church for nine consecutive days. Father Kaminski appointed Mrs. Edwin (Sophie) Bruzewski chairman of the Rosary. Sophie was the first to hold the novena in her home.

As the traveling statue moves from home to home throughout the parish, families, friends and neighbors gather to pray the Rosary for peace. Now, over 50 years later, the statue is still traveling. The family says the Rosary each night for the week the statue is in their home.

During the months of October and May of each year the statue is in Church where the parishioners pray the Rosary before the weekend Masses.

This is such a beautiful tradition here at St. Valentine parish.

ST. VALENTINE PARISH HISTORY

St. Valentine Parish is located in the community of Beaver which is located on the North Branch of the Kawkawlin River where Nine Mile Road and Parish Road intersect. The early settlement of Beaver developed next to the Kawkawlin River because the river offered a means of transportation. Prior to 1888, there were very few roads. The Kawkawlin River was also a source of food by fishing and trapping. The first settlers in Beaver had to clear all the land, cutting the trees, then either floating them or hauling them to nearby sawmills. The lumber was then used to build the early homesteads and farms. After the area was cleared of its timber, the early settlers then turned to farming to earn a living. Beaver flourished because Polish families migrated to the area and built St. Valentine Church.

The early Catholic pioneers of Beaver, Michigan, prior to 1888, traveled to St. Joseph Church in Auburn in order to fulfill their spiritual obligations. Families traveled from a radius of 10 to 15 miles to go to Mass on Sunday.

With the beginning of 1888, Father Szulak, a Jesuit missionary from Detroit, rendered his spiritual assistance to the Polish families in Beaver by offering the Holy Sacrifice of the Mass and hearing confessions of the faithful in the home of John Nowak. The zealous missionary usually visited his humble flock once a month.

On St. Valentine's Day in 1888, Bartholomew Zboralski donated five acres of land on which a combination church-school was to be built. The building was constructed on the land on which the rectory stands today. On Sundays, the spiritual needs of the people were cared for by the priests of St. Stanislaus, Bay City. The organ in church was played by Stanley Bruzewski and a male choir was led by Amos Bruzewski. Miss Cecilia Warczynski was appointed teacher of the newly constructed St. Valentine combined church and school. The pupils of the school were taught in both the Polish and English languages. However, they were only instructed through the fifth grade.

The Rev. Joseph Lewandowski, administrator of St. Stanislaus Parish (1888-1889), and his assistant, Father A. Bieniawski, were requested by the Most Rev. Henry J. Richter, Bishop of Detroit, to attend to the spiritual needs of the people. Father Lewandowski administered the first baptism of February 14, 1898. The first marriage of John Rozek and Mary Grzegorzcyk was witnessed on September 27, 1898.

In the spring of 1898, a cemetery was constructed. The remains of Victor Milkowski were the first to be buried in the new cemetery.

From 1900 to 1906, Rev. Edward Kozlowski, pastor of St. Stanislaus, Bay City, and his assistants, the Rev. Fathers Victory Wisniewski, Joseph Kaminski and John Gatzke cared for the spiritual needs of the faithful of St. Valentine.

On January 1, 1908, Bishop Richter appointed Father Joseph Kaminski, pastor of St. Anthony Church, Fisherville, to take charge of the newly created mission of St. Valentine, Kawkawlin. Father Kaminski began to gather funds towards the erection of a new church at Kawkawlin. Having raised the sum of \$4,000.00, this devoted priest began to construct the new church on a few acres of land purchased from William Tucholski. This church was built under the direction of Fathers Kaminski and Kaplanowski. Father John D. Kaplanowski was then appointed first pastor of the parish of St. Valentine.

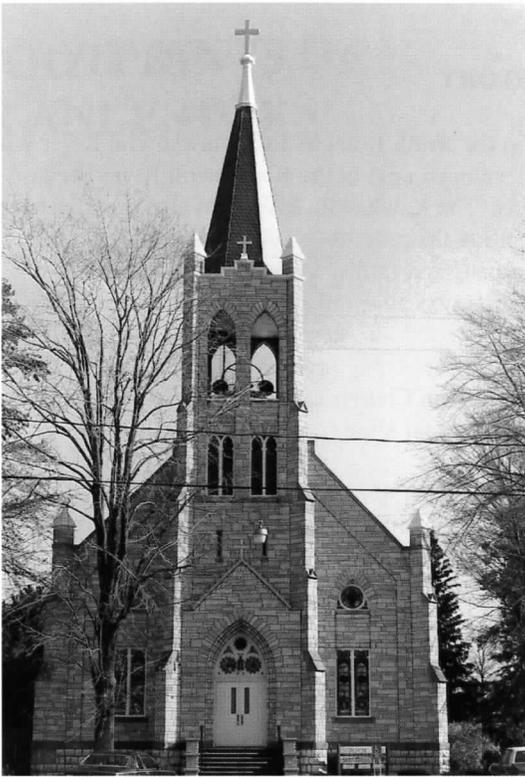

The new church, approximately 90 ft. long, 50 ft. wide, and 23 ft. high, was completed in the fall of 1909. The cornerstone was laid on May 15, 1909, during the administration of Father John Kaplanowski. The pastor procured more land from Bartholomew Zboralski. This portion of land was reserved for the cemetery.

Eventually, the old combination church-school building was moved across the street to where the present convent now stands. The two-story building's bottom floor was used as a combination school-hall, and the second floor was where dances were held with music provided by the men of the parish.

Rev. Fathers R.S. Kwasigroch, Edward J. Szturmowski and Walter A. Kuzius were Pastors of St. Valentine Parish from 1919-1929.

In the early 1920's, there was fire and the altar burned. It was replaced for a cost of \$600.00. Until the rectory was built early in the pastorate of Father Szymanski (1929-1941), there was no resident pastor.

During the years of 1940-1941, Rev. John J. Bozek was an Assistant Pastor. In 1941, Rev. Joseph S. Kaminski was appointed to St. Valentine as Pastor.

The St. Valentine Parish Center was started in November of 1945 with the forming of a non-profit corporation. The members named the building the Beaver Community Victory Memorial and Recreational Center (Beaver Hall), as a gesture of gratitude for the victory and end of World War II. About a hundred families of the surrounding community took on the responsibility for the construction of the parish center. The center contained a kitchen, dining room, bar, and a room for dancing. Over the years, it evolved into a hall for wedding receptions and church functions and served as a temporary church (1991-1992) until the construction of the new church was completed.

In the fall of 1948, Father Kaminski realized his fondest dream with the completion of a four-room school. The school was staffed by four Felician Sisters. Since there was no convent as yet, the sisters lived in the front part of the school from 1948 until 1959. Sister Mary Angelica was the first principal.

The building, which served as a church-school in the late 1800's and as a school-hall in the early 1900's, was eventually dismantled, moved yet again and rebuilt at 1556 E. Parish Road. The structure that was used as the picnic concession stand was once the garage for the early priests' cars and housed their horses prior to that. That building was torn down and replaced by a new structure.

Due to the ill health of Father Kaminski, Rev. Terrance S. Kinkowski became Assistant Pastor during 1951. Father Bobeck was appointed administrator on July 27, 1951. During the pastorate of Father Bobeck, two new school buses were purchased (1952), a new pipe organ was installed (1953), the interior of the church was redecorated and the exterior of the church was refinished with perma stone (1953). Father Bobeck's biggest project was the erection of a modern convent. On October 25, 1959, St. Valentine Parish celebrated its 50th anniversary as a solemn Mass in the presence of Bishop Stephen Woznicki, followed by Confirmation and the blessing of the new convent. Father Bobeck served St. Valentine Parish until his death on December 27, 1961.

Father Virgil Gradowski was appointed pastor of St. Valentine Church from 1962-1963.

During Father Barney Janowicz's pastorate (1963-1974), the church was painted, carpeted, and the pews were refinished. With the changes brought about by the Vatican II Council, the communion railing was removed and the altar was rearranged so that the presider of the Mass faced the worshippers.

Rev. Father Stanislaus Bur was pastor from 1974-1983. From 1983-1988, Rev. Joseph Castanier was pastor. Rev. Richard Ratajczak returned to his home-parish in 1988 to be the pastor.

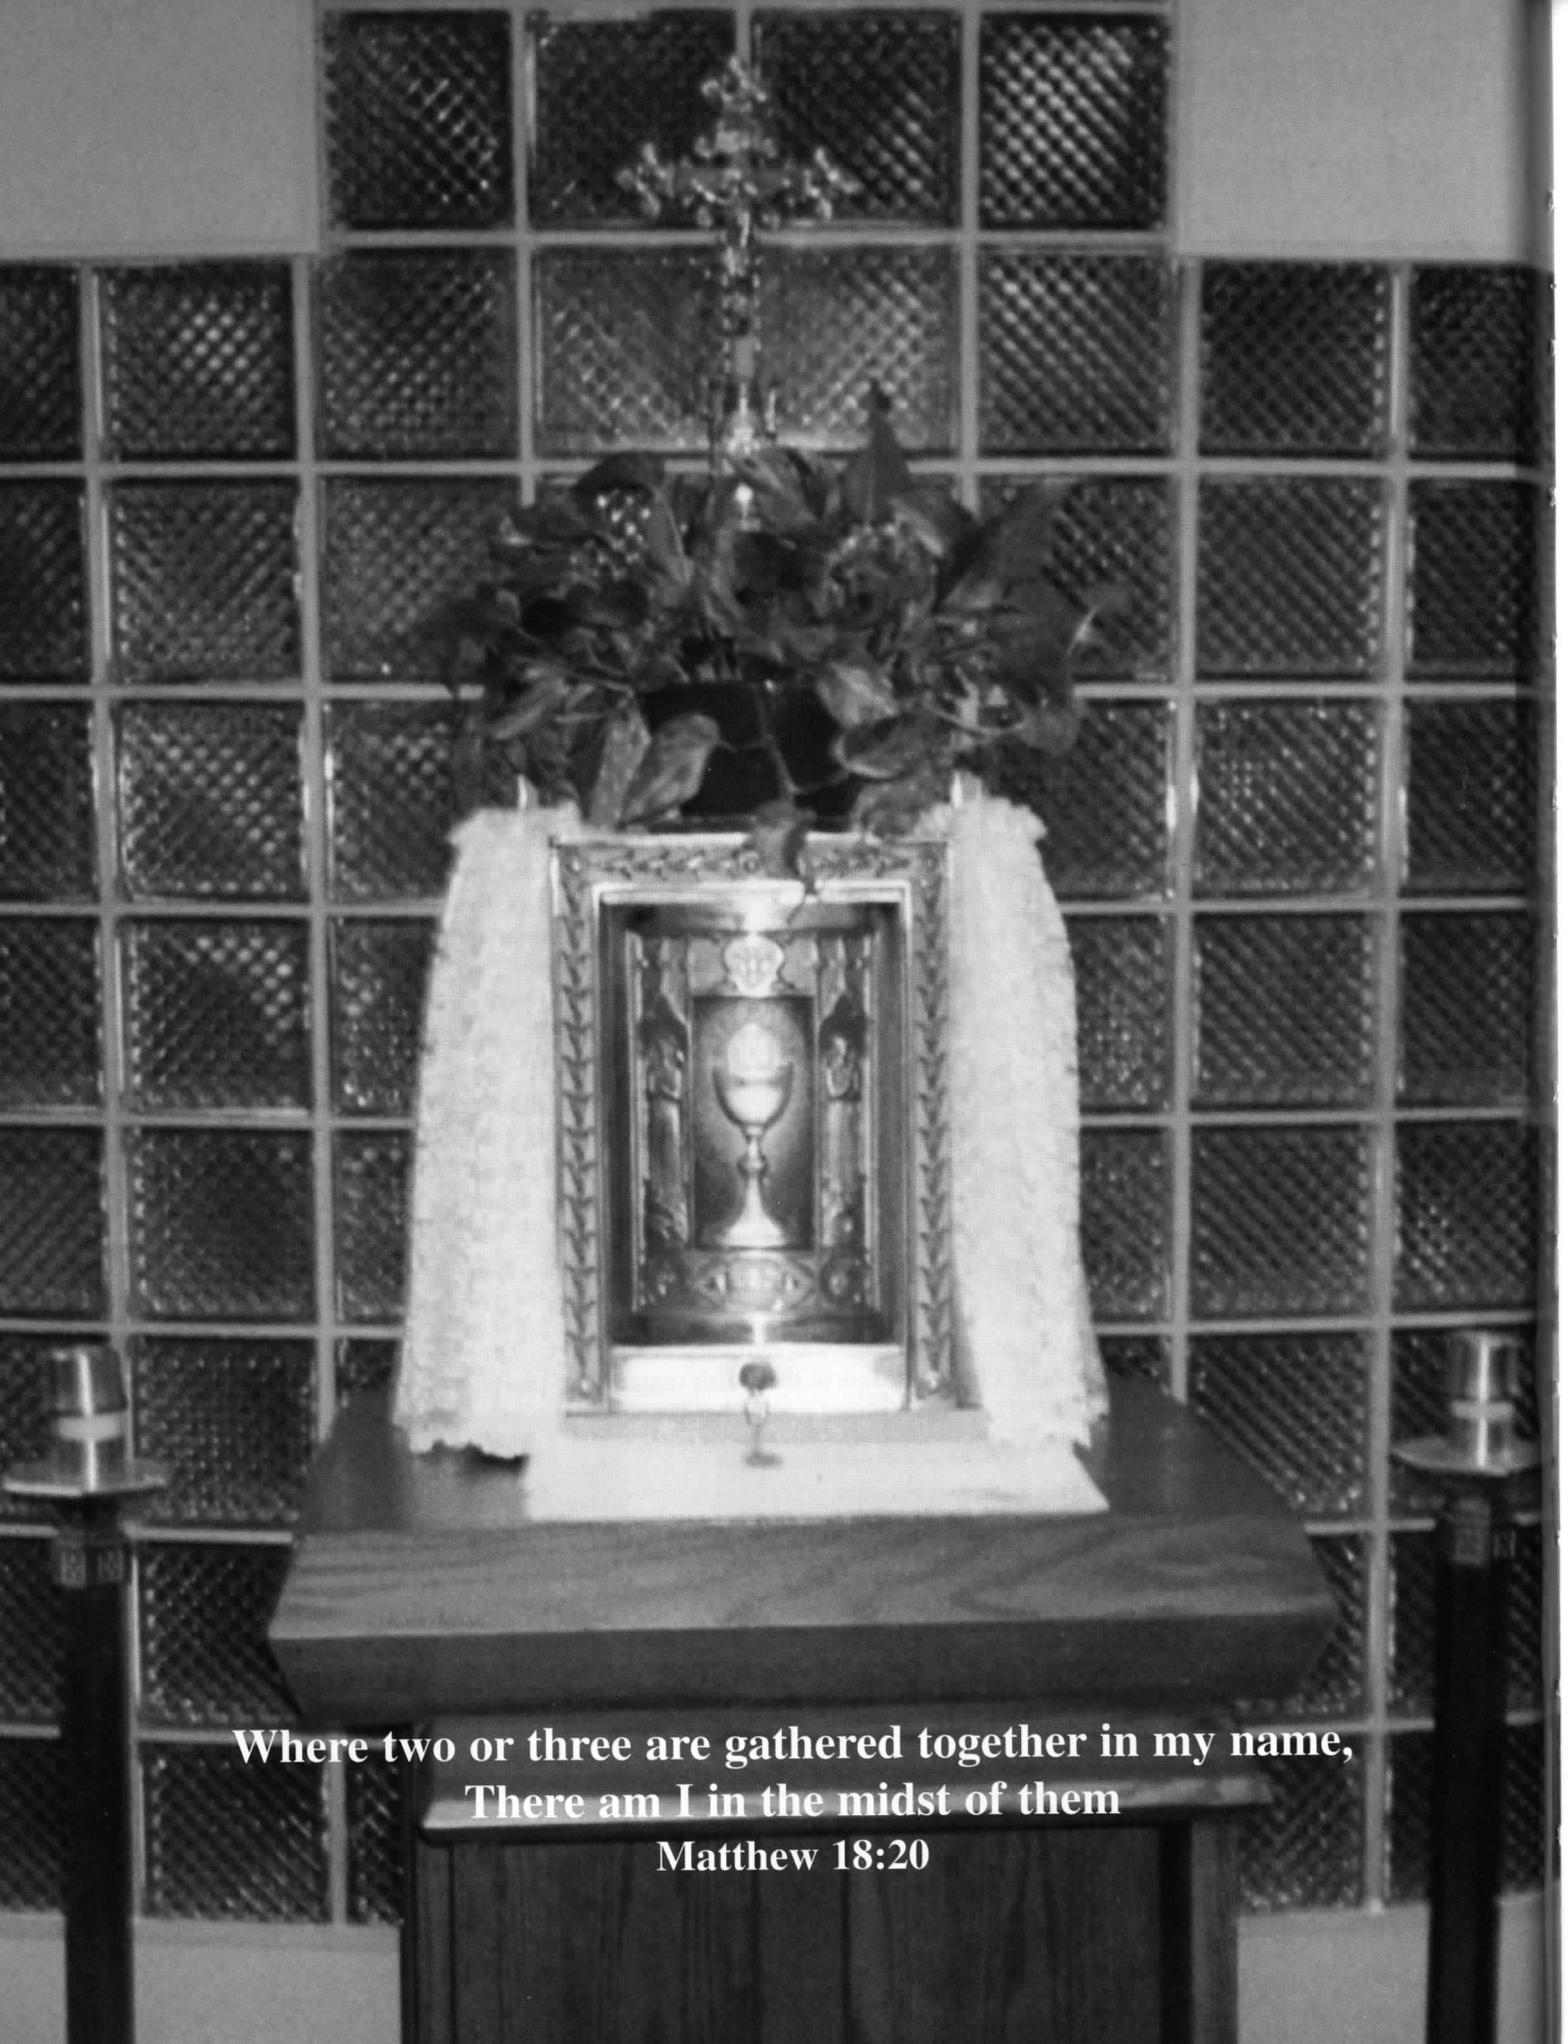

On Friday evening, February 22, 1991, at 11:45 p.m., tragedy struck. The church was struck by a truck, caught fire after an explosion, and received extensive damage. The damage was estimated at \$571,411. The very next day, Saturday, February 23, the parish came together and celebrated 5:00 p.m. Mass in the parish center. The parish center was the place of worship from February of 1991 until December of 1992. It is presumed that Father Kaminski celebrated the first Mass in 1909 in the church. Ironically, the last Mass celebrated before the church fire was for the repose of his soul. Father Kaminski had died on February 21, 1956.

A pavilion and concession stand were built in the summer of 1991 on the grounds of Beaver Hall.

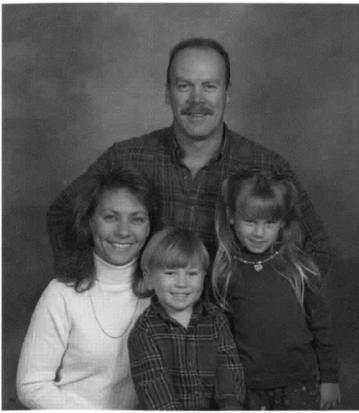

On Sunday, April 5, 1992, Bishop Kenneth Untener attended the ground breaking ceremony which was held after the 11:00 a.m. Mass. The dedication of the new church and worship center was held in February of 1993. Some items salvaged from the old church and incorporated into the new church were the church steeple bell, stained-glass windows, the nativity set, and the cross from behind the old altar.

On February 15, 1998, St. Valentine Parish began a year of celebrating its centennial year with a host of activities including a Perpetual Adoration, a Mission and the development of this pictorial directory.
