EXHIBITION CENTER

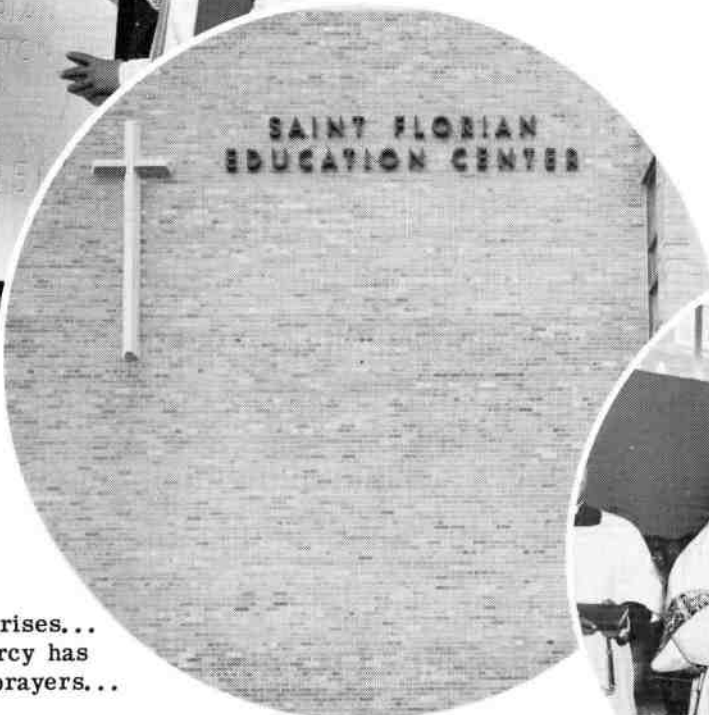

Only a shovel full of earth...but to Father Walkowiak it means the realization of many dreams.

A cross is raised...the earth is dedicated to Him we love.

The cornerstone that marked the way for better things for our children.

An edifice arises... God in His Mercy has answered our prayers...

...It is blessed... giving praise to Him that makes all things possible.

Of course the girls do have other interests... and the finest of equipment too!

Sisters of St. Francis*

Sister M. Julia receives a farewell gift before going to Germany to care of the needs of Polish refugees, who suffered the miseries of the holocaust of World War II.

A Sister's work is never done . . .

A Sister takes her vows... dedicates her life to the children of Christ...

... then goes out to give the best she has to teach us all we shall need to progress in this world... and the next.
